Safety Instruction Guide for Accessories Adapter Plate with Photo Thread #17S Slider ARCARail

Introduction

Thank you for choosing the Accessories Adapter Plate with Photo Thread #17S Slider ARCARail. This guide provides important safety instructions to ensure the safe use, installation, and disposal of this product. Please read this guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure proper use of the product in accordance with the instructions provided.
- Always inspect the product before use to check for any visible damage or wear.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the adapter plate with compatible equipment that meets the specifications outlined in this guide.
- Do not exceed the weight limit specified for the adapter plate to avoid failure during use.
- Ensure the adapter plate is securely attached before mounting any equipment.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify the product in any way, as this may compromise its safety.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools and equipment before starting the installation.
- Locate the standard 1/4"20 thread on your tripod.
- Align the adapter plate with the thread and screw it in securely, ensuring it is tightly fastened.
- If using with an ERATAC slider, ensure it is compatible with the adapter plate.

2. Usage:

- Before mounting any equipment, doublecheck that the adapter plate is securely attached to the tripod.
- When attaching your equipment, ensure it is compatible with the adapter plate.
- Always follow the manufacturer's instructions for the equipment being mounted.
- After use, carefully detach the equipment from the adapter plate and store it in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling options in your area to ensure environmentally responsible disposal.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or refer to the product packaging

for relevant contact information.

Thank you for your attention to these safety instructions. Your safety is our priority.
