Accessories HeavyDuty QD Sling Swivel Safety Instruction Guide

Introduction

Thank you for purchasing the Accessories HeavyDuty QD Sling Swivel. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in various applications. Always ensure it is used in accordance with the guidelines provided in this manual.
- **Enhanced Recalls:** In case of any safety concerns or product recalls, you will be notified through standardized recall notices. Please pay attention to these communications.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the sling swivel for any signs of damage or wear before each use. Do not use if damaged.
- **Proper Fit:** Ensure that the sling webbing used is compatible with the internally curved sling loop, accommodating widths from 25 mm to 32 mm (1" to 1.25").
- **Secure Attachment:** Always ensure the sling swivel is securely attached to the QD flush cup before use to prevent accidental detachment.
- **Avoid Twisting:** When using the sling, ensure that it is not twisted to maintain a lowprofile fit and prevent potential malfunction.
- **Usage Environment:** Avoid using the sling swivel in extreme conditions that may compromise its integrity, such as extreme heat, cold, or exposure to corrosive substances.

Instructions for Installation and Usage

1. Installation:

- Identify the QD flush cup on your equipment where the sling swivel will be attached.
- Align the pushbutton mechanism on the sling swivel with the QD flush cup.
- Press the pushbutton and insert the sling swivel into the flush cup until you hear a click, indicating it is securely locked in place.

2. Usage:

- Adjust the sling webbing to your desired length and ensure it is properly threaded through the internally curved sling loop.
- Test the attachment by pulling gently on the sling to confirm it is secure.
- When detaching, press the pushbutton and pull the sling swivel away from the flush cup.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the sling swivel in regular household waste if it is damaged; instead, follow special disposal guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any additional questions or support regarding the Accessories HeavyDuty QD Sling Swivel, please refer to the retailer or manufacturer's contact information provided with your purchase.

Thank you for following these safety guidelines. Your safety is our priority!
