Accessories Offset Mount Safety Instructions

Introduction

Thank you for choosing the Accessories Offset Mount by ERATAC. This product is designed to enhance your shooting experience by allowing rapid transitions between highmagnification scopes and closequarters aiming. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always handle firearms and accessories with care, following all local laws and regulations.
- Regularly inspect your mount and accessories for wear or damage before use.
- Keep this product out of reach of children and individuals who may not understand its use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the mount only with compatible red dot sights and scopes.
- Do not exceed the manufacturer's weight limits for mounted accessories.
- Ensure all components are securely attached before using the firearm.
- Avoid using the mount in adverse weather conditions that could affect visibility or safety.
- If you notice any unusual behavior or instability while using the mount, discontinue use immediately.

Instructions for Installation and Usage

Installation

1. Preparation

- Gather all necessary tools and ensure you have a clean workspace.
- Read the manufacturer's instructions for your primary scope and red dot sight.

2. Mounting the Offset Mount

- Locate the appropriate mounting position on your rifle's rail system.
- Align the offset mount with the rail, ensuring it fits securely.
- Use the provided screws to fasten the mount. Ensure they are tightened according to the manufacturer's specifications.

3. Attaching the Red Dot Sight

- Position the red dot sight at a 45degree angle on the offset mount.
- Securely attach the sight using the appropriate mounting hardware.
- Doublecheck that all screws are tightened properly.

Usage

- When transitioning from your primary scope to the red dot sight, practice the movement to ensure smooth operation.
- Always maintain a firm grip on the rifle while making transitions.
- Regularly check the alignment of the sights and make adjustments as necessary.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the Accessories Offset Mount, please contact your local ERATAC representative or authorized dealer. Ensure you have the product information ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Accessories Offset Mount. Thank you for your attention to these important guidelines.
