

Accessories - Slider with Clamping Jaw for ARCA Rail

Engineered for High-Intensity Operations: ERATAC delivers cutting-edge tactical solutions purpose-built for demanding shooters. Our premium lineup of ARCA sliders combines universal compatibility with a duty-grade finish, making them the ideal choice for rigorous, high-frequency use across competitive shooting, law enforcement operations, and tactical training.

Unlock Your Platform's Potential: These sliders serve as the essential link to maximizing the versatility of the ARCA/M-LOK® ecosystem. They enable operators to rapidly attach, adjust, and secure vital mission accessories—including precision bipods, tripod photo adapters, auxiliary Picatinny rails, and specialized support systems—directly onto the rifle's ARCA rail.

Safety Instructions for Accessories Slider with Clamping Jaw for ARCA Rail

Introduction

Thank you for choosing the Accessories Slider with Clamping Jaw for ARCA Rail by ERATAC. This product is designed for highintensity operations, providing you with the versatility needed for competitive shooting, law enforcement, and tactical training. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the slider is securely clamped to the ARCA rail before use.
- Avoid overtightening the clamping jaw, as this may damage the rail or the slider.
- Do not use the slider with incompatible accessories, as this may lead to accidents or equipment failure.
- Use caution when adjusting or detaching accessories to prevent pinching or injury.
- Ensure that all accessories attached to the slider are properly secured before operation.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the product.

Instructions for Installation and Usage

1. Installation of the Slider:

- Align the clamping jaw of the slider with the ARCA rail on your rifle.
- Gently slide the slider onto the rail until it is in the desired position.
- Tighten the clamping jaw using the provided adjustment mechanism until it is secure. Do not overtighten.

2. Attaching Accessories:

- Select the accessory you wish to attach (e.g., bipod, tripod adapter).
- Align the accessory with the mounting point on the slider.
- Secure the accessory according to its specific instructions.

3. Adjusting Accessories:

- To adjust the position of any attached accessory, loosen the clamping mechanism.
- Move the accessory to the desired position and retighten the clamping mechanism securely.

4. Detaching Accessories:

- To detach an accessory, ensure that the rifle is pointed in a safe direction.
- Loosen the clamping mechanism and carefully remove the accessory.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use of this product.
