Accessories BallLocking Slider for ERATAC ARCA Rail Safety Instruction Guide

Introduction

Thank you for choosing the Accessories BallLocking Slider for ERATAC ARCA Rail. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the slider to understand its features and safety precautions.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use on ERATAC rails. Ensure you follow all guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized channels. Please stay informed about any updates.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements. Verify the seller's credibility.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point for assistance.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Proper Use:** Always use the slider as intended. Do not modify or attempt to repair it.
- **Check for Damage:** Before each use, inspect the slider for any signs of wear or damage. Do not use if damaged.
- **Secure Locking:** Ensure the ballbearing locking system is fully engaged before use to prevent accidental release.
- **Avoid Excessive Force:** Do not apply excessive force when unlocking or repositioning the slider. Use the sidelatch mechanism as intended.
- **Environmental Conditions:** Avoid using the slider in extreme weather conditions. High humidity or extreme temperatures may affect its performance.
- **Training:** Ensure that all operators are trained in the correct usage of the slider.

Instructions for Installation and Usage

1. Installation:

- Ensure the ERATAC rail is clean and free from debris.
- Align the slider with the rail ensuring the ballbearing locking mechanism is positioned correctly.
- Firmly press the slider onto the rail until you hear a click indicating it is locked in place.
- Test the slider by attempting to move it slightly to ensure it is securely attached.

2. Usage:

- To unlock the slider, locate the sidelatch mechanism.
- Press the latch down with one hand while gently pulling the slider away from the rail with the other hand.
- Reposition the slider as needed, ensuring it is locked securely in place before use.
- Always check the locking mechanism after repositioning to confirm it is engaged.

Disposal Instructions

- Dispose of the slider in accordance with local regulations.
- Do not throw the product in regular household waste.
- If the slider is no longer usable, consider recycling it if possible, or take it to a designated waste disposal facility.

Contact Information for Further Support

For further assistance regarding safety inquiries or product information, please refer to the relevant EU contact point. Ensure you have the product details available for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Accessories BallLocking Slider for ERATAC ARCA Rail.
