Safety Instruction Guide for Accessories Torx Cylinder Head Screw M4x10

Introduction

Thank you for choosing the Accessories Torx Cylinder Head Screw M4x10. This product is designed for use with ERATAC scope rings and mounts by Recknagel. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe usage and optimal performance.

General Safety Guidelines

- Ensure that the screw is compatible with your specific scope rings and mounts before use.
- Always inspect the screw for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the screw if it appears damaged or defective.
- Ensure that the screw is tightened securely, but avoid overtightening, which may cause damage.
- Use appropriate tools for installation to prevent injury or damage to the screw and mounting equipment.
- Follow the manufacturer's guidelines for the specific scope rings and mounts to ensure proper installation.
- Be cautious of sharp edges when handling the screw.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver that fits the screw.
- Ensure that the workspace is clean and welllit.

2. Installation:

- Align the screw with the designated hole in the scope ring or mount.
- Insert the screw and use the Torx screwdriver to tighten it gently.
- Ensure the screw is securely fastened, but do not exceed the recommended torque specifications to avoid damaging the equipment.

3. Usage:

- After installation, check the stability of the mounted equipment before use.
- Regularly inspect the screw and its connection to ensure continued safety and performance.

Disposal Instructions

- Dispose of the screw in accordance with local waste management regulations.
- Do not dispose of the screw in regular household waste if it is deemed hazardous.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding the safety and performance of the Accessories Torx Cylinder Head Screw M4x10, please refer to the manufacturer's contact information provided with your purchase.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your attention to these guidelines helps ensure a safe and enjoyable experience with your product.
