Armanov Bullet Feeder Safety Instructions

Introduction

Thank you for choosing the Armanov HandOperated Bullet Feeder. This product is designed to enhance your reloading efficiency while ensuring safety during operation. Please read and follow these safety instructions carefully to ensure a safe and effective experience.

General Safety Guidelines

- Always use the Armanov Bullet Feeder in accordance with the manufacturer's instructions.
- Ensure that the product is used in a wellventilated area to avoid inhalation of any dust or debris.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Bullet Feeder before each use for any signs of damage or wear.
- Do not use the Bullet Feeder if it appears to be damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep an eye on recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Manual Operation:** This product is handoperated. Do not attempt to use electrical power or cords with it.
- **Bullet Compatibility:** Ensure that the bullets you are using are compatible with the .40 / 10mm specifications.
- **Proper Handling:** Always handle bullets with care to avoid injury. Use gloves if necessary.
- **Avoid Overloading:** Do not overload the bullet feeder beyond its designed capacity.
- **Stable Surface:** Ensure that the Bullet Feeder is placed on a stable and flat surface to prevent tipping or accidents.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while operating the Bullet Feeder.

Instructions for Installation and Usage

1. Setup:

- Place the Armanov Bullet Feeder on a stable surface.
- Ensure that the aluminum base is securely positioned to prevent movement during operation.

2. Loading Bullets:

- Open the transparent bullet tube.
- Carefully load the bullets into the tube, ensuring they are compatible with the .40 / 10mm specifications.
- Close the tube securely to prevent bullets from falling out.

3. Operating the Bullet Feeder:

- Use the manual feeding system to control the flow of bullets.
- Maintain a steady pace to ensure smooth operation.
- If the system becomes jammed, stop immediately and clear the blockage before continuing.

4. PostUse Care:

- After use, clean the Bullet Feeder to remove any debris or residue.
- Store the Bullet Feeder in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the Armanov Bullet Feeder responsibly at the end of its life cycle.
- Follow local regulations for the disposal of aluminum and plastic materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support
