Powder Funnel for Dillon Powder Measure Safety Instructions

Introduction

Thank you for choosing the Powder Funnel for Dillon Powder Measure. This product is designed to enhance your reloading experience by allowing you to easily move your powder measure between toolheads without altering the bellows adjustment. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product for purposes other than those intended.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the powder funnel with care to avoid spills and accidents.
- Ensure that the powder measure is securely attached to the funnel before use.
- Avoid using the funnel in wet or damp conditions to prevent slippage.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling powders.
- Be aware of the potential hazards associated with the materials being used, including flammability and toxicity.

Instructions for Installation and Usage

1. Installation

- Ensure that the work area is clean and free from any obstructions.
- Take the powder funnel and align it with the powder measure.
- Securely attach the funnel to the powder measure by following the manufacturer's guidelines.

2. Usage

- Before filling the funnel, ensure that it is clean and free from any debris.
- Carefully pour the desired amount of powder into the funnel.
- Allow the powder to flow into the measure, ensuring that there are no blockages.
- After use, clean the funnel to prevent contamination of different powders.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste unless specified.
- If the product is damaged or no longer usable, consider recycling materials where applicable.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Powder Funnel for Dillon Powder Measure, please refer to

the manufacturer's contact information provided with the product packaging.

Conclusion

Following these safety instructions will help ensure a safe and efficient reloading experience. Always prioritize safety and remain informed about the products you use. Thank you for your attention to these guidelines.
