Hold Down Die & Swage Setter Safety Instruction Guide

Introduction

Thank you for choosing the Hold Down Die & Swage Setter (.223 Rem). This tool is designed to enhance the efficiency and precision of your swager and holddown die adjustments. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the Hold Down Die & Swage Setter.
- Ensure that the tool is used only for its intended purpose as specified in this guide.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the work area is clean and free from clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Do not exceed the recommended depth adjustments while using the tool.
- Always secure the tool properly in the shellplate station to avoid any movement during operation.
- Avoid using the tool if you are fatigued or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Identify the shellplate station where your swager or holddown die is installed.
- Carefully insert the Hold Down Die & Swage Setter into the designated station.
- Ensure that the tool is securely fitted and does not wobble or move.

2. Usage:

- Begin by adjusting the depth of the die or swager using the precisionmachined opening of the tool.
- Make small adjustments and check the setting frequently to achieve the desired outcome.
- Once the perfect setting is achieved, ensure that all components are securely fastened before operation.
- After use, remove the tool from the shellplate station and store it in a safe place.

Disposal Instructions

- Dispose of the Hold Down Die & Swage Setter in accordance with local regulations.
- If the tool is damaged beyond repair, ensure it is rendered unusable before disposal to prevent accidental use.
