Safety Instruction Guide for ARMANOV LED LIGHTING MODULE FOR DILLON XL650/750 S1050/RL1100 Locator Tab Spring

Introduction

Thank you for choosing the ARMANOV LED Lighting Module for Dillon XL650/750 S1050/RL1100 Locator Tab Spring. This guide provides important safety information and instructions to help you use this product safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for damage before use. Do not use if any part is damaged.
- Follow the installation and usage instructions provided in this guide to avoid hazards.
- If you encounter any issues during installation or use, stop immediately and seek assistance.

Specific Safety Precautions for Use

- Use only compatible equipment with the ARMANOV LED Lighting Module.
- Do not expose the product to water or extreme temperatures.
- Ensure proper electrical connections to avoid short circuits or electrical hazards.
- Avoid using the product in environments with flammable materials.
- Do not attempt to modify or repair the product yourself. Contact a professional if repairs are needed.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure that the workspace is clean and welllit.

2. Installation:

- Disconnect the power supply to the Dillon press before installation.
- Carefully remove the existing locator tab spring if applicable.
- Align the ARMANOV LED Lighting Module with the designated mounting points on the Dillon press.
- Secure the module using the provided fasteners, ensuring it is firmly attached.
- Reconnect the power supply and test the module to verify proper functionality.

3. Usage:

- Once installed, use the lighting module as needed to enhance visibility during operation.
- Regularly check the module for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste. Consider recycling options where available.
- Remove batteries (if applicable) and dispose of them separately following local guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ARMANOV LED Lighting Module, please refer to the contact information provided on the product packaging or visit the manufacturer's website. Your safety is our priority, and we are here to assist you.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your ARMANOV product.
