This product is designed to enhance the performance of your AREX Delta pistol while ensuring safety and ease of use. Please read this safety instruction guide carefully to ensure the safe operation and maintenance of your magazine base pad.

General Safety Guidelines

- Ensure that this product is used only with the AREX Delta GEN1 and GEN2 pistols.
- Always handle firearms and related accessories with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine base pad for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazine base pad in any way.
- Use only compatible magazines with this base pad to prevent malfunction.
- Ensure that the base pad is securely attached to the magazine before inserting it into the pistol.
- Avoid using the product in wet or corrosive environments unless specifically designed for such conditions.
- Always follow the manufacturer's guidelines regarding cleaning and maintenance.

Instructions for Installation and Usage

1. Installation:

- Begin with an unloaded magazine.
- Align the magazine base pad with the bottom of the magazine.
- Press the base pad onto the magazine until you hear a click, indicating it is securely locked in place.
- Use your fingernail to assist with assembly if needed, utilizing the included steel locking plate.

2. Usage:

- After installation, ensure the magazine is properly seated in the pistol before use.
- Regularly check the base pad for secure attachment during use, especially after extensive shooting sessions.
- Clean the magazine and base pad regularly to maintain optimal performance.

Disposal Instructions

- Dispose of the magazine base pad in accordance with local regulations regarding aluminum and plastic waste.
- Do not dispose of the product in regular household waste if it is damaged or defective; consult local waste management for proper disposal methods.
