Aluminium Magwell for Rainier Arms AR15 & Similar Milled Receivers Safety Instructions

Introduction

Thank you for choosing the Aluminium Magwell for Rainier Arms AR15 & Similar Milled Receivers. This product is designed to enhance your shooting experience by providing a reliable and efficient means of magazine loading. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the product is compatible with your firearm model before installation.
- Regularly inspect the magwell for wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- In case of any malfunction or failure, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Make sure the firearm is unloaded before attaching or removing the magwell.
- Avoid using the magwell in adverse weather conditions that may affect its performance.
- Do not modify the magwell or use it in a manner not intended by the manufacturer.
- Ensure proper maintenance of the magwell to avoid any operational issues.
- Use only compatible magazines with the magwell to ensure proper function.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing magwell or components that may obstruct installation.
- Align the Aluminium Magwell with the receiver and press it firmly into place until secure.
- Verify that the magwell is properly seated and does not wobble or move.

2. Usage:

- To load a magazine, hold the firearm in a stable position.
- Insert the magazine into the flared opening of the magwell, ensuring it is aligned correctly.
- Push the magazine firmly until it clicks into place.
- Always check the magazine's secure fit before attempting to fire the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of the product in regular household waste.
- Ensure that the product is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support
