Safety Instruction Guide for FlagPrinted Grip Tape for Speed Line Magazine Pads

Introduction

Thank you for choosing the FlagPrinted Grip Tape for Speed Line Magazine Pads. This product is designed to enhance your competition setup by providing a highfriction, nonslip surface for improved control over your magazines. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure that the grip tape is used only as intended and for compatible magazine base pads.
- Regularly inspect the grip tape for signs of wear or damage, and replace it if necessary.
- Keep the grip tape away from children and vulnerable individuals who may not understand the potential hazards.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Stay informed about potential recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your hands are clean and dry before handling the grip tape to maintain optimal adhesion.
- Avoid using the grip tape in wet or excessively humid conditions, as this may affect its performance.
- Do not apply the grip tape to surfaces that are not clean and free of debris, as this may compromise its grip.
- Be cautious when handling magazines, especially during highpressure situations, to avoid accidents.
- Store the grip tape in a cool, dry place away from direct sunlight and extreme temperatures.

Instructions for Installation and Usage

1. Surface Preparation:

- Clean the surface of the Armanov Speed Line Magazine Base Pad to remove any dirt, oil, or residue.
- Ensure the surface is completely dry before proceeding.

2. Application of Grip Tape:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the edges of the magazine base pad.
- Press down firmly to ensure full adhesion, starting from one end and moving to the other to avoid air bubbles.

3. Final Checks:

- Once applied, check the grip tape for any air bubbles or lifted edges and press down again if necessary.
- Allow the grip tape to set for a few hours before using the magazine to ensure maximum adhesion.

4. Using the Grip Tape:

- Grip the magazine firmly using the textured surface of the grip tape during draws and reloads.
- Practice handling the magazine with the grip tape to become accustomed to its feel and

performance.

Disposal Instructions

- Dispose of any damaged or worn grip tape in accordance with local waste disposal regulations.
- Recycle packaging materials where possible, following local recycling guidelines.
