Safety Instruction Guide for FlagPrinted Grip Tape for Speed Line Magazine Pads

Introduction

Thank you for choosing the FlagPrinted Grip Tape for Speed Line Magazine Pads. This product is designed to enhance your competition setup by providing a highfriction, nonslip surface for better control and handling of your magazines. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only as intended, specifically for Armanov Speed Line Magazine Base Pads.
- Regularly inspect the grip tape for wear and tear. Replace it if damaged.
- Keep the grip tape away from children and pets to prevent accidental misuse.
- Report any unsafe conditions or accidents associated with the product to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- The grip tape is designed for adult use. It is not recommended for children.
- Avoid using the grip tape in wet or excessively humid conditions, as this may affect its adhesive properties.
- Ensure that the surface of the magazine base pad is clean and dry before applying the grip tape to ensure proper adhesion.
- Do not apply excessive force when using the grip tape, as this may lead to slips or loss of control.
- If you experience any allergic reactions or skin irritation from the grip tape, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

Installation

1. **Preparation:** Clean the surface of the Armanov Speed Line Magazine Base Pad with a suitable cleaner and allow it to dry completely.
2. **Cutting:** If necessary, cut the grip tape to the desired size using scissors. Ensure the edges are smooth to avoid peeling.
3. **Application:**
 - Peel off the backing of the grip tape carefully.
 - Align the grip tape with the magazine base pad and press down firmly.
 - Smooth out any bubbles or wrinkles to ensure full contact with the surface.
4. **Curing:** Allow the grip tape to cure for at least 24 hours before using the magazine to ensure optimal adhesion.

Usage

- When using the magazine, ensure your hands are dry to maintain grip.
- Practice magazine handling to become familiar with the grip tape's texture and responsiveness.
- In competitive situations, remain aware of your grip and adjust as necessary for optimal control.

Disposal Instructions

- Dispose of any used or damaged grip tape in accordance with local regulations for nonhazardous waste.

- Recycle packaging materials where possible to minimize environmental impact.
