# FlagPrinted Grip Tape for Speed Line Magazine Pads Safety Instruction Guide

## Introduction

Thank you for choosing the FlagPrinted Grip Tape for Speed Line Magazine Pads. This product is designed to enhance both the functionality and style of your competition setup. It provides a highfriction, nonslip surface for better control during magazine handling. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grip tape is applied correctly to avoid any slipping or peeling during use.
- Regularly inspect the grip tape for wear and tear. Replace it if damaged.
- Keep the product out of reach of children to prevent accidental injury or misuse.
- Do not use the grip tape in wet conditions, as moisture can reduce its effectiveness.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that your hands are clean and dry before handling the magazines.
- Avoid using excessive force when applying or removing the grip tape, as this may damage the magazine base pads.
- If you experience any allergic reactions to the materials used in the grip tape, discontinue use immediately and consult a medical professional.
- Use caution when drawing magazines from your setup, especially under pressure or during competition.

## Instructions for Installation and Usage

### 1. Surface Preparation:

- Clean the surface of the Armanov Speed Line Magazine Base Pads thoroughly to remove any dirt, oil, or moisture.
- Allow the surface to dry completely before applying the grip tape.

### 2. Application:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the base pad, ensuring it covers the desired area.
- Press down firmly, smoothing out any air bubbles as you go to ensure full adhesion.

### 3. Usage:

- Once applied, allow the grip tape to set for at least 24 hours before use for optimal performance.
- Test the grip by handling the magazine to ensure a secure hold.

### 4. Maintenance:

- Periodically check the grip tape for signs of wear or damage.
- Clean the grip tape with a damp cloth to maintain its texture and effectiveness.

## **Disposal Instructions**

- Dispose of any unused or damaged grip tape in accordance with local waste disposal regulations.
- Do not incinerate the product, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the designated EU contact point provided by the manufacturer. Always ensure that you have the product details on hand when seeking assistance.

Thank you for your attention to these safety instructions. Enjoy your enhanced competition setup with the FlagPrinted Grip Tape for Speed Line Magazine Pads!
