SpidErgo II Pistol Grips for Arex Alpha Safety Instructions

Introduction

Thank you for choosing the SpidErgo II Pistol Grips for Arex Alpha. These grips are designed to enhance your shooting experience by providing superior control and comfort. To ensure your safety and the optimal performance of your grips, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Store the grips in a safe place away from children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage.
- Do not use the grips if they show signs of damage or if they do not fit your firearm properly.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure a proper fit: The SpidErgo II grips are designed specifically for the Arex Alpha. Using them on other firearms may pose safety risks.
- Use only as intended: These grips are designed for use with the Arex Alpha pistol. Do not use them for any other purpose.
- Maintain a firm grip: The specialized texture is designed to enhance grip stability. Ensure your hand is secure on the grip to prevent slippage during use.
- Be aware of your surroundings: Always be mindful of your environment when handling firearms to ensure the safety of yourself and others.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing grips from the Arex Alpha by unscrewing them carefully.
- Align the SpidErgo II grips with the mounting holes on the firearm.
- Securely attach the grips using the provided screws, ensuring they are tightened but not overtightened.

2. Usage:

- Hold the firearm with both hands, ensuring your dominant hand is firmly gripping the SpidErgo II grip.
- Maintain a proper stance and posture while aiming and firing.
- After use, clean the grips gently with a soft cloth to remove any dirt or moisture.

Disposal Instructions

- Dispose of any damaged grips in accordance with local waste management regulations.
- If the grips are no longer usable, consider recycling them if possible, or contact your local waste facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SpidErgo II Pistol Grips for Arex Alpha, please refer to the EU contact point for product safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safer and more effective experience with your SpidErgo II Pistol Grips for Arex Alpha. Always prioritize safety and compliance with local regulations when using firearms and accessories. Thank you for your attention to these important guidelines.
