SpidErgo Pistol Grips for Tanfoglio Safety Instructions

Introduction

Thank you for choosing the SpidErgo Pistol Grips for Tanfoglio (Small Frame, Purple). This product is designed to enhance your shooting experience by providing a secure and comfortable grip. However, like any product, it is important to use it safely and responsibly. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your pistol grips.

General Safety Guidelines

- Always ensure that your firearm is unloaded before handling or installing the grips.
- Inspect the grips for any visible defects or damage before use.
- Ensure that the grips are compatible with your specific model of Tanfoglio firearm.
- Keep the grips and all associated tools out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not use the grips if they exhibit signs of wear or damage.
- Ensure that your hands are dry and clean when gripping the firearm to maintain optimal control.
- Avoid using the firearm in wet or slippery conditions where grip may be compromised.
- Use caution when drawing the firearm to avoid accidental discharge.
- Always maintain proper firearm handling and safety practices.

Instructions for Installation and Usage

Installation

1. **Tools Needed:** Ensure you have the necessary tools on hand, including a screwdriver appropriate for the grip screws.
2. **Remove Existing Grips:**
 - Unload the firearm and ensure it is safe to handle.
 - Carefully remove the existing grips by unscrewing them from the frame.
3. **Attach SpidErgo Grips:**
 - Align the SpidErgo grips with the frame of the firearm.
 - Securely fasten the grips using the provided screws, ensuring they are tight but not overtightened to avoid damage.
4. **Final Check:**
 - Inspect the installation to ensure that the grips are securely attached and properly aligned.

Usage

- Hold the firearm with the SpidErgo grips installed firmly in your hand.
- Practice drawing and aiming to become accustomed to the new grip profile.
- Regularly check the tightness of the grip screws during cleaning and maintenance.

Disposal Instructions

- Dispose of the SpidErgo grips responsibly, in accordance with local waste disposal regulations.
- Do not incinerate or expose the grips to extreme heat, as this may release harmful substances.
- If the grips are damaged or no longer usable, consider recycling options if available.
