Safety Instruction Guide for SpidErgo Pistol Grips for Tanfoglio Primer Cup Spring for Dillon Presses

Introduction

Thank you for choosing the SpidErgo Pistol Grips for Tanfoglio Primer Cup Spring for Dillon Presses. This product is designed to enhance the performance of your Dillon Precision reloading press. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety, installation, usage, and disposal.

General Safety Guidelines

To ensure safe use of the SpidErgo Pistol Grips, please follow these general safety guidelines:

- Always read and understand the product instructions before use.
- Ensure that the product is compatible with your Dillon Precision reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the SpidErgo Pistol Grips, please adhere to the following safety precautions:

- Use only as intended and according to the manufacturer's instructions.
- Do not modify or alter the product in any way.
- Avoid using the product in wet or damp conditions.
- Wear appropriate safety gear, including eye protection, when using your reloading press.
- Ensure that the area around your reloading press is clean and free of obstructions.
- Be aware of your surroundings and maintain focus while operating the reloading press.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the SpidErgo Pistol Grips:

1. Preparation

- Ensure that your Dillon Precision reloading press is turned off and unplugged.
- Gather the necessary tools for installation, if required.

2. Installation

- Remove the existing grips from your Dillon Precision reloading press.
- Align the SpidErgo Pistol Grips with the mounting points on the press.
- Secure the grips in place according to the manufacturer's instructions.
- Doublecheck that the grips are firmly attached before use.

3. Usage

- Once installed, familiarize yourself with the feel and operation of the new grips.
- Always operate the reloading press according to the manufacturer's guidelines.
- Monitor the performance of the grips during use and ensure they remain secure.

Disposal Instructions

When it is time to dispose of the SpidErgo Pistol Grips, please follow these disposal instructions:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for plastic and metal components.
- If applicable, recycle the product according to your local recycling program.

Contact Information for Further Support

For any questions or concerns regarding the SpidErgo Pistol Grips, please consult the manufacturer's website or contact their customer support team. It is important to have a reliable point of contact for any safety inquiries or product issues.

By following this safety instruction guide, you can ensure a safe and effective experience with your SpidErgo Pistol Grips for Tanfoglio Primer Cup Spring for Dillon Presses. Thank you for prioritizing safety and responsible use.
