Safety Instruction Guide for SpidErgo Pistol Grips for Tanfoglio Primer Punch Spring for Dillon XL750 62328

Introduction

Thank you for choosing the SpidErgo Pistol Grips for Tanfoglio Primer Punch Spring for Dillon XL750. This product is designed to enhance the performance of your Dillon Precision reloading press. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the reloading press is turned off and unplugged before performing any maintenance or installation work.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the product for any visible damage before use. Do not use damaged parts.
- Follow all manufacturer instructions for the reloading press when installing and using this product.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the product is compatible with your specific Dillon XL750 model before installation.
- Use only the recommended tools for installation to avoid damaging the product.
- Avoid using excessive force when installing or adjusting the grips to prevent injury or damage.
- If you experience any unusual behavior from the reloading press after installation, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean, welllit workspace.
- Review the user manual for your Dillon XL750 to familiarize yourself with its components.

2. Installation:

- Turn off and unplug the Dillon XL750 reloading press.
- Remove any existing grips or components as per the manufacturer's instructions.
- Align the SpidErgo Pistol Grips with the mounting points on the reloading press.
- Gently press the grips into place until they fit securely.
- Use the recommended screws or fasteners to secure the grips, ensuring they are tightened but not overtightened.

3. Usage:

- Once installed, ensure that the grips are functioning properly by testing the reloading press.
- Follow all operational guidelines provided in the Dillon XL750 user manual.
- Regularly check the grips for wear and tear, and replace them if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

- For any questions or concerns regarding the SpidErgo Pistol Grips, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure the safe and effective use of the SpidErgo Pistol Grips for Tanfoglio Primer Punch Spring for Dillon XL750. Thank you for your attention to safety!
