LSS Gen3 Forend Safety Instructions

Introduction

Thank you for choosing the LSS Gen3 Forend by MDT. This product is designed to enhance the performance of your LSS Gen3 Chassis, providing a sturdy and versatile platform for various applications. To ensure your safety and the optimal use of this product, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- Ensure that the product is used only as intended, in accordance with the manufacturer's instructions.
- Always inspect the forend before use for any signs of damage or wear.
- Do not exceed the weight limit specified for accessories mounted on the forend.
- Keep the forend and surrounding area clear of obstructions during use.
- Store the forend in a dry, cool place when not in use to prevent corrosion or damage.
- Be aware of your surroundings and ensure that the area is safe before using the product.

Specific Safety Precautions for Use

- When mounting accessories, ensure they are securely attached to prevent accidents.
- Use caution when handling tools during installation to avoid injury.
- Avoid using the forend in extreme weather conditions that could affect its performance.
- Do not use the forend if it has been modified or damaged in any way.
- Ensure that all fasteners are tightened to the manufacturer's specifications before use.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure that the LSS Gen3 Chassis is clean and free of debris.

2. Mounting the Forend:

- Align the forend with the mounting points on the LSS Gen3 Chassis.
- Insert screws into the designated holes and handtighten them initially.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque settings.
- Doublecheck that the forend is securely attached and does not move.

3. Accessory Installation:

- If installing accessories (e.g., rails, grips), refer to the accessory manufacturer's instructions for proper installation.
- Ensure that all accessories are compatible with the MLOK system.

Usage

- Use the forend as a stable platform for your rifle during shooting.
- Always maintain a proper grip and stance when using the rifle to ensure control and accuracy.
- Be aware of the weight distribution when adding accessories to the forend.

Disposal Instructions

- Dispose of the forend in accordance with local regulations regarding aluminum and composite materials.
- If the product is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty information, please refer to the manufacturer's website or customer service portal. It is important to have the product details on hand when seeking assistance.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your LSS Gen3 Forend.
