

CZ TRIGGERS - CZ457 Rimfire Left Hand**1lb**

Designed in response to shooter demand for a dedicated rimfire upgrade, the Timney CZ 457 trigger delivers uncompromising performance for both competitive match shooting and hunting. Built using state-of-the-art machining without any metal injection molding or stamped parts, this trigger completely eliminates creep and provides a clean, repeatable, glass-like break that helps shrink your group sizes and maximize your rifle's accuracy.

Ultra-Clean Single-Stage Break: Designed to eliminate creep and overtravel, delivering a crisp, consistent feel with every shot.

Factory Preset and Fully Adjustable: Comes set from the factory at a crisp 1 lb. pull weight, with an adjustable range spanning from an ultra-light 10 oz. up to 2.0 lbs.

SEAL'd Technology: Features Timney's innovative Sear Engagement Adjustment Lock (SEAL'd) system for safe, reliable, and user-friendly adjustments.

Premium Machined Construction: CNC-machined components engineered for maximum durability and precision—no cheap stamped or molded parts.

Multiple Customization Options: Available with either a Curved or Straight (Flat) trigger shoe, and configured for Right-Handed or Left-Handed models.

Easy Drop-In Installation: Simple installation process requires no gunsmithing.

Safety Instruction Guide for CZ TRIGGERS CZ457 Rimfire Left Hand

Introduction

Thank you for choosing the CZ TRIGGERS CZ457 Rimfire Left Hand. This product is designed for enhanced shooting performance, whether for competitive match shooting or hunting. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Keep the trigger pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe environment before shooting.
- Follow all local laws and regulations regarding firearm use and ownership.
- Regularly inspect the trigger and firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- **Creep and Overtravel:** The Timney CZ 457 trigger is designed to eliminate creep and overtravel. Ensure you are familiar with this feature to avoid accidental discharges.
- **Adjustable Pull Weight:** The trigger is factory preset to a pull weight of 1 lb, adjustable from 10 oz to 2 lbs. Make sure to adjust the pull weight according to your comfort and skill level.
- **UserFriendly Adjustments:** Use the SEAL'd Technology for safe and reliable adjustments. Ensure adjustments are made while the firearm is unloaded and pointed in a safe direction.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that may lead to malfunction or unsafe conditions.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Carefully install the CZ TRIGGERS CZ457 Rimfire Left Hand trigger in accordance with the provided installation manual.
- Verify that the trigger is securely installed and functions correctly before use.

2. Usage:

- Always perform a function check before shooting. Ensure that the trigger operates smoothly and safely.
- Adjust the pull weight as needed, ensuring the firearm is unloaded during adjustments.
- Practice safe shooting habits and follow all firearm safety rules while using the trigger.

Disposal Instructions

- Dispose of the trigger and any associated packaging materials in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check for local recycling programs or hazardous waste disposal sites.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to your local authorized dealer or manufacturer's website for contact information.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
