

CZ TRIGGERS - CZ457 Rimfire, Left Hand Straight **1lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Designed in response to shooter demand for a dedicated rimfire upgrade, the Timney CZ 457 trigger delivers uncompromising performance for both competitive match shooting and hunting. Built using state-of-the-art machining without any metal injection molding or stamped parts, this trigger completely eliminates creep and provides a clean, repeatable, glass-like break that helps shrink your group sizes and maximize your rifle's accuracy.

Ultra-Clean Single-Stage Break: Designed to eliminate creep and overtravel, delivering a crisp, consistent feel with every shot.

Factory Preset and Fully Adjustable: Comes set from the factory at a crisp 1 lb. pull weight, with an adjustable range spanning from an ultra-light 10 oz. up to 2.0 lbs.

SEAL'd Technology: Features Timney's innovative Sear Engagement Adjustment Lock (SEAL'd) system for safe, reliable, and user-friendly adjustments.

Premium Machined Construction: CNC-machined components engineered for maximum durability and precision—no cheap stamped or molded parts.

Multiple Customization Options: Available with either a Curved or Straight (Flat) trigger shoe, and configured for Right-Handed or Left-Handed models.

Easy Drop-In Installation: Simple installation process requires no gunsmithing.

CZ TRIGGERS CZ457 Rimfire Safety Instruction Guide

Introduction

Thank you for choosing the CZ TRIGGERS CZ457 Rimfire, Left Hand Straight trigger. This product is designed to enhance your shooting experience by providing superior performance. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the trigger.

General Safety Guidelines

- Ensure that the trigger is installed correctly and securely before use.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition in a secure place, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the trigger or any firearm components unless performed by a qualified gunsmith.
- Regularly inspect the trigger and firearm for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- The trigger is designed for use with the CZ 457 firearm only. Do not use it with any other models.
- Be cautious of the trigger pull weight, which is factory preset at 1 lb. Adjustments can be made, but ensure they are within the safe range of 10 oz. to 2.0 lbs.
- The SEAL'd Technology allows for adjustments; ensure that adjustments are done safely and securely to prevent accidental discharge.
- Avoid using the trigger in wet or humid conditions, which may affect its performance.
- Ensure that the trigger is not obstructed by any foreign objects during use.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation.

2. Remove the Old Trigger:

- Follow the manufacturer's instructions to safely remove the existing trigger from your CZ 457.

3. Install the New Trigger:

- Carefully insert the CZ TRIGGERS CZ457 Rimfire trigger into the designated space.
- Ensure that it fits securely and aligns properly with the firearm's components.

4. Adjust the Trigger Weight:

- If necessary, adjust the pull weight according to your preference, ensuring that it remains within the safe limits.

5. **Final Check:**

- Inspect the installation to ensure that everything is secure and functioning correctly.
- Conduct a function test to ensure the trigger operates as intended.

Usage

- Always verify that the firearm is in a safe condition before using it.
- Use the trigger in a controlled environment, following all safety protocols.
- Regularly practice safe handling and marksmanship to maintain proficiency.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Consult local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CZ TRIGGERS CZ457 Rimfire trigger, please contact your local dealer or the manufacturer. Ensure that you have the product information available for reference.

By adhering to these safety guidelines and instructions, you will help ensure a safe and enjoyable shooting experience with your CZ TRIGGERS CZ457 Rimfire trigger. Always prioritize safety and responsible firearm use.
