

GLOCK TRIGGERS - ALL GEN 5 GLOCK PISTOLS, BLACK PIVOTING SAFETY

The Timney Enhanced Feel Trigger Shoe was developed in response to shooters seeking a more comfortable, predictable trigger break without replacing the entire trigger mechanism. Engineered to preserve legendary Glock reliability, this shoe replaces only the factory trigger shoe, allowing you to fine-tune pre-travel/safety take-up for a crisp, enhanced shooting feel.

Enhanced Ergonomics and Control: Curved profile engineered to improve finger placement, making the wall and break feel smoother, more comfortable, and highly repeatable.

Adjustable Safety Take-Up: Features an adjustable mechanism allowing users to set preferred pre-travel movement for improved accuracy.

Preserved Factory Reliability: Upgrades the shooter interface while maintaining full compatibility with the factory Glock action and internal safety systems.

Two Safety Blade Styles: Choose between a traditional External Safety Blade or an Internal Pivoting (Hinged) Safety for a blade-free trigger face feel.

Precision CNC-Machined: Crafted from high-grade aluminum with a durable, corrosion-resistant anodized finish.

Broad Compatibility: Engineered to fit nearly all Glock handguns, from sub-compact carry pistols (e.g., G43/G43X/G48) up to full-size and large-frame models.

Easy DIY Installation: Simple drop-in upgrade using included hex tools; requires no gunsmithing.

GLOCK TRIGGERS ALL GEN 5 GLOCK PISTOLS, BLACK PIVOTING SAFETY Safety Instruction Guide

Introduction

Thank you for choosing the GLOCK Triggers for all Gen 5 GLOCK pistols. This guide provides essential safety instructions, installation guidance, and general usage information to ensure safe and effective operation of your product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these guidelines:

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that the trigger shoe is properly installed before use.
- Do not alter any factory settings or components not specified in this guide.
- Use only compatible GLOCK models as specified in the product description.
- Regularly inspect your firearm for any signs of wear or damage.
- Store your firearm in a secure location, away from unauthorized access.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using the trigger shoe with any modifications not approved by the manufacturer.
- Be mindful of your finger placement on the trigger shoe during operation.
- Always follow local laws and regulations regarding firearm usage and modifications.
- If you experience any malfunction or abnormal behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and in a safe condition.
2. **Tools Required:** Use the included hex tools for installation.
3. **Remove Old Trigger Shoe:** Follow the manufacturer's instructions to safely remove the factory trigger shoe.
4. **Install Enhanced Trigger Shoe:** Align the Timney Enhanced Feel Trigger Shoe with the trigger mechanism and secure it using the hex tools.
5. **Adjust Safety TakeUp:** Use the adjustable mechanism to set your preferred pretravel movement.
6. **Test Functionality:** Before using the firearm, ensure the trigger operates smoothly and safely.

Usage

- Familiarize yourself with the feel of the enhanced trigger shoe before engaging in live fire.
- Practice trigger control and finger placement to maximize the benefits of the enhanced ergonomics.
- Regularly check the adjustment of the safety takeup to ensure optimal performance.

Disposal Instructions

When disposing of the product, please follow local regulations regarding the disposal of firearm components. Ensure that any hazardous materials are handled according to safety guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the GLOCK Triggers, please refer to the manufacturer's website or contact their support team directly.

Conclusion

Your safety is our priority. By following these guidelines, you can enjoy enhanced performance and reliability while using your GLOCK Triggers. Always stay informed and practice safe firearm handling. Thank you for your commitment to safety.
