

ALPHA GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 3/4, MEDIUM FRAME (9mm & 40 S&W), BLACK SAFETY BLADE & SEAR ****3lb****

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney Alpha Competition Series is designed to transform your large-frame Glock into a match-ready competition firearm. By re-engineering the internal geometry while utilizing stock Glock components, Timney achieves a remarkably light, crisp 3-pound pull without altering or compromising legendary Glock reliability.

Crisp 3-lb. Factory Pull Weight: Delivers a light, smooth, and clean break with an ultra-fast reset to significantly improve speed and shot-to-shot accuracy.

Premium Surface Finish: Features a nickel-Teflon coated sear and trigger bar to ensure friction-free action and maximum corrosion resistance.

Retains OEM Reliability: Designed to work seamlessly with stock Glock internal springs and parts—maintaining full striker safety function.

Safety Shoe Options: Available with an Internal Pivoting Safety (hinged, blade-free design) or an External Safety Blade.

Wide Variety of Colors: Offered in multiple trigger shoe finishes (including Black, Blackout, Timney Gold, Red, Bronze, Silver, Orange, Purple, and Green).

Easy Drop-In Installation: Completely self-contained system; installs quickly without requiring gunsmithing or permanent slide/frame modifications.

Safety Instruction Guide for ALPHA GLOCK TRIGGERS

Introduction

Thank you for choosing the ALPHA GLOCK TRIGGERS. This product is designed to enhance your Glock's performance while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and maintain your product safely in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only with compatible Glock models (GEN 3/4, Medium Frame, 9mm & 40 S&W).
- Always handle firearms with care and ensure they are pointed in a safe direction.
- Keep the trigger area clear of any obstructions while handling the firearm.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Be aware of local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before beginning installation.
- Wear safety glasses to protect your eyes during installation.
- Avoid using any tools that may damage the trigger or firearm components.

• Usage Precautions:

- Always engage the safety mechanism when the firearm is not in use.
- Do not modify the trigger or components beyond the manufacturer's specifications.
- Use appropriate ammunition as specified for your Glock model.
- Be mindful of your surroundings and ensure a safe shooting environment.

• Maintenance Precautions:

- Clean the trigger and surrounding areas regularly to prevent buildup of dirt and debris.
- Do not use harsh chemicals that may damage the trigger finish.
- If you notice any malfunction or irregularity, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the slide from the frame according to the manufacturer's instructions.
- Carefully remove the factory trigger and sear assembly.
- Install the ALPHA GLOCK TRIGGERS by following these steps:
 - Align the trigger bar with the sear and trigger shoe.
 - Secure the assembly in place, ensuring all components are properly seated.
- Reattach the slide to the frame.

- Test the trigger function without ammunition to ensure proper installation.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Always check the trigger pull and reset before each use.
- Practice safe shooting habits, including proper stance and grip.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm components.
- Do not discard in regular household waste.
- Consider recycling components where applicable.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service resources. It is important to have access to support for any questions or issues that may arise during the use of your ALPHA GLOCK TRIGGERS.

By following these guidelines, you can ensure a safe and effective experience with your ALPHA GLOCK TRIGGERS. Always prioritize safety and compliance with local laws when using firearms and accessories.
