

ALPHA GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 3/4, LARGE FRAME (10mm & 45ACP), BLACK SAFETY BLADE & SEAR **3lb**

The Timney Alpha Competition Series is designed to transform your large-frame Glock into a match-ready competition firearm. By re-engineering the internal geometry while utilizing stock Glock components, Timney achieves a remarkably light, crisp 3-pound pull without altering or compromising legendary Glock reliability.

Crisp 3-lb. Factory Pull Weight: Delivers a light, smooth, and clean break with an ultra-fast reset to significantly improve speed and shot-to-shot accuracy.

Premium Surface Finish: Features a nickel-Teflon coated sear and trigger bar to ensure friction-free action and maximum corrosion resistance.

Retains OEM Reliability: Designed to work seamlessly with stock Glock internal springs and parts—maintaining full striker safety function.

Safety Shoe Options: Available with an Internal Pivoting Safety (hinged, blade-free design) or an External Safety Blade.

Wide Variety of Colors: Offered in multiple trigger shoe finishes (including Black, Blackout, Timney Gold, Red, Bronze, Silver, Orange, Purple, and Green).

Easy Drop-In Installation: Completely self-contained system; installs quickly without requiring gunsmithing or permanent slide/frame modifications.

Safety Instruction Guide for ALPHA GLOCK TRIGGERS

Introduction

Thank you for choosing the ALPHA GLOCK TRIGGERS designed for Glock GEN 3/4 and large frame models (10mm & 45ACP). This guide provides essential safety instructions and information to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that the ALPHA GLOCK TRIGGERS are used in accordance with all safety guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about product recalls. In case of a recall, you may receive standardized notices and remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact information provided with your product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **User Age:** This product is intended for use by individuals aged 18 years and older. Ensure that younger users are supervised by an adult.
- **Firearm Compatibility:** Only use the ALPHA GLOCK TRIGGERS with compatible Glock models as specified. Using it with incompatible models may result in malfunction.
- **Proper Handling:** Always treat your firearm as if it is loaded. Keep the firearm pointed in a safe direction at all times.
- **Dry Fire Practice:** Avoid dry firing the firearm without proper safety measures in place, as it may lead to accidental discharges.
- **Regular Maintenance:** Regularly inspect and maintain your firearm and trigger system to ensure they are in good working condition.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Remove the Slide:

- Follow your Glock's manual to safely remove the slide from the frame.

3. Install the Trigger:

- Carefully remove the existing trigger system.
- Install the ALPHA GLOCK TRIGGERS by following the provided instructions. Ensure all components

are securely in place.

4. Reassemble the Firearm:

- Reattach the slide to the frame of the firearm.
- Ensure that everything is properly aligned and secured.

5. Function Check:

- Perform a function check to ensure the trigger operates correctly before using the firearm.

Usage

- **Pull Weight:** The ALPHA GLOCK TRIGGERS provide a crisp 3pound pull weight. Familiarize yourself with the trigger feel before use.
- **Shooting Practice:** Practice shooting in a controlled environment to become accustomed to the new trigger system.
- **Safety Features:** Be aware of the safety shoe options and ensure they are functioning correctly.

Disposal Instructions

- **Proper Disposal:** Dispose of any old trigger components or packaging in accordance with local regulations. Do not dispose of in regular household waste.
- **Environmental Considerations:** Recycle materials where possible and dispose of hazardous materials at designated facilities.

Contact Information for Further Support

For any further questions or support, please refer to the contact information provided with your product. It is essential to reach out for assistance if you have concerns regarding safety or product performance.

By following these guidelines, you can ensure the safe and effective use of your ALPHA GLOCK TRIGGERS. Always prioritize safety and responsible firearm handling.
