

# ALPHA GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5, MEDIUM FRAME (9mm & 40 S&W), BLACK SAFETY BLADE & SEAR \*\*3lb\*\*

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney Alpha Competition Series is designed to transform your large-frame Glock into a match-ready competition firearm. By re-engineering the internal geometry while utilizing stock Glock components, Timney achieves a remarkably light, crisp 3-pound pull without altering or compromising legendary Glock reliability.

**Crisp 3-lb. Factory Pull Weight:** Delivers a light, smooth, and clean break with an ultra-fast reset to significantly improve speed and shot-to-shot accuracy.

**Premium Surface Finish:** Features a nickel-Teflon coated sear and trigger bar to ensure friction-free action and maximum corrosion resistance.

**Retains OEM Reliability:** Designed to work seamlessly with stock Glock internal springs and parts—maintaining full striker safety function.

**Safety Shoe Options:** Available with an Internal Pivoting Safety (hinged, blade-free design) or an External Safety Blade.

**Wide Variety of Colors:** Offered in multiple trigger shoe finishes (including Black, Blackout, Timney Gold, Red, Bronze, Silver, Orange, Purple, and Green).

**Easy Drop-In Installation:** Completely self-contained system; installs quickly without requiring gunsmithing or permanent slide/frame modifications.

## Attributes

# Safety Instruction Guide for ALPHA GLOCK TRIGGERS

## Introduction

Thank you for choosing the ALPHA GLOCK TRIGGERS. This product is designed to enhance the performance of your Glock firearm while ensuring safety and reliability. This guide provides essential safety instructions, installation procedures, and usage guidelines to ensure your safety and the optimal performance of your trigger.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are in a safe environment when handling your firearm.
- Keep the trigger area free from obstructions during use.
- Always wear appropriate eye and ear protection when using firearms.
- Store this product in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Do not attempt to modify or disassemble the trigger system beyond the instructions provided.
- Use only compatible Glock models as specified for this trigger.
- Be aware of the reduced pull weight (3lb) and practice to become familiar with the trigger's responsiveness.
- Ensure that all safety features of the firearm are functioning correctly before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Disassembly:** Remove the slide from the frame according to the Glock owner's manual.
3. **Remove the Stock Trigger:** Follow the instructions in the Glock manual to safely remove the stock trigger and components.
4. **Install the ALPHA GLOCK TRIGGER:**
  - Insert the new trigger into the frame, ensuring it aligns correctly with the internal mechanisms.
  - Reattach any components removed during disassembly.
5. **Reassembly:** Reattach the slide to the frame and ensure all parts are securely in place.
6. **Function Check:** Perform a function check to ensure the trigger operates smoothly and safely.

### Usage Guidelines

- After installation, practice with the trigger in a controlled environment.
- Familiarize yourself with the trigger's light pull weight to enhance accuracy and speed.
- Always follow standard firearm safety rules during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.

- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ALPHA GLOCK TRIGGERS, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure the safe and effective use of your ALPHA GLOCK TRIGGERS. Always prioritize safety and responsible firearm handling.
