

ALPHA GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 5, LARGE FRAME (10mm & 45ACP), BLACK SAFETY BLADE & SEAR **3lb**

The Timney Alpha Competition Series is designed to transform your large-frame Glock into a match-ready competition firearm. By re-engineering the internal geometry while utilizing stock Glock components, Timney achieves a remarkably light, crisp 3-pound pull without altering or compromising legendary Glock reliability.

Crisp 3-lb. Factory Pull Weight: Delivers a light, smooth, and clean break with an ultra-fast reset to significantly improve speed and shot-to-shot accuracy.

Premium Surface Finish: Features a nickel-Teflon coated sear and trigger bar to ensure friction-free action and maximum corrosion resistance.

Retains OEM Reliability: Designed to work seamlessly with stock Glock internal springs and parts—maintaining full striker safety function.

Safety Shoe Options: Available with an Internal Pivoting Safety (hinged, blade-free design) or an External Safety Blade.

Wide Variety of Colors: Offered in multiple trigger shoe finishes (including Black, Blackout, Timney Gold, Red, Bronze, Silver, Orange, Purple, and Green).

Easy Drop-In Installation: Completely self-contained system; installs quickly without requiring gunsmithing or permanent slide/frame modifications.

Safety Instruction Guide for ALPHA GLOCK TRIGGERS

Introduction

Thank you for purchasing the ALPHA GLOCK TRIGGERS designed for GLOCK GEN 5, LARGE FRAME (10mm & 45ACP). This product aims to enhance your shooting experience by providing a light, crisp trigger pull while maintaining the reliability of your firearm. It is essential to read and understand the safety guidelines outlined in this document to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and trigger components securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and trigger for wear or damage.
- Only use this trigger with compatible GLOCK models as specified.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure you are familiar with the operation of your GLOCK firearm before installing the trigger.
- Do not attempt to modify the trigger or any internal components.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Make sure the firearm is unloaded before installation or maintenance.
- Use caution when handling the trigger and firearm to avoid accidental discharge.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Remove the Existing Trigger:**
 - Disassemble the firearm according to the manufacturer's instructions.
 - Carefully remove the existing trigger and associated components.
3. **Install the ALPHA GLOCK TRIGGER:**
 - Align the new trigger assembly with the internal components of the firearm.
 - Secure the trigger in place according to the manufacturer's specifications.
4. **Reassemble the Firearm:** Follow the disassembly steps in reverse to reassemble your firearm.
5. **Function Check:** After installation, conduct a function check to ensure the trigger operates correctly without any obstructions or issues.

Usage Instructions

- Always follow standard firearm handling procedures when using your firearm.
- Practice regularly to become familiar with the new trigger pull weight.
- Maintain the trigger and firearm by cleaning and lubricating as needed.

Disposal Instructions

- Dispose of any old trigger components and packaging materials responsibly.
- Follow local regulations for the disposal of firearm parts and materials.
- If the product is deemed unsafe or no longer functional, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ALPHA GLOCK TRIGGERS, please refer to the manufacturer's contact details provided with your product packaging. It is important to have an EUbased contact for safety inquiries to comply with the EU GPSR.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your ALPHA GLOCK TRIGGERS. Always prioritize safety and responsible firearm use. Thank you for choosing our product.
