

Furiosa Chassis Remington 700 SA AICS Laminated Tiger Wood

The WOOX Furiosa Chassis is a groundbreaking hybrid rifle stock designed for shooters and hunters who refuse to compromise between classic aesthetics and modern tactical performance. Engineered in Italy and crafted in the USA and Italy, the Furiosa combines hand-finished American Walnut (or dark Micarta) with a full-length, rigid aerospace-grade aluminum skeleton. The result is an ultra-stable bedding platform that dramatically enhances shot-to-shot consistency, recoil management,

Aerospace-Grade Aluminum Core: Built on a precision-machined AA 7075 aircraft-grade aluminum sub-chassis with hard anodizing. The metal bedding system eliminates accuracy loss caused by ambient humidity and temperature changes.

Micro-Adjustable Cheek Riser: Fine-tune your cheek weld effortlessly for perfect scope alignment without needing extra tools.

Adjustable Length of Pull (LOP): Rapidly adapt the LOP from 13.5" to 15" (34.3 cm – 38.1 cm) using a smooth push-button mechanism.

M-LOK® Forend: Three 7-inch M-LOK® accessory slots (at 3, 6, and 9 o'clock) for mounting bipods, tripods, or lights.

Integrated Picatinny Rail: Bottom-mounted rail section for monopods and rear support accessories.

QD Sling Mounts: Built-in Quick Detach sling swivel points for flexible carry options.

WOOX Furiosa Chassis Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Furiosa Chassis for your Remington 700 SA AICS. This product is designed to blend classic aesthetics with modern tactical performance. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about product safety, installation, usage, and disposal.

General Safety Guidelines

- Ensure that the WOOX Furiosa Chassis is used only with compatible firearms, specifically the Remington 700 SA AICS.
- Always handle firearms safely and responsibly. Follow all applicable laws and regulations regarding firearm use in your jurisdiction.
- Store the chassis and any attached accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of damage or wear. If any issues are detected, discontinue use and contact a qualified professional for evaluation.
- Be aware of your surroundings when using the chassis, especially in outdoor environments.

Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure your Remington 700 SA AICS is compatible with the WOOX Furiosa Chassis. Consult the manufacturer's specifications if unsure.
- **Proper Installation:** Follow the installation instructions carefully to ensure the chassis is securely attached to the firearm. Improper installation may result in accidents or injuries.
- **Use of Accessories:** When using accessories such as bipods or lights, ensure they are securely mounted and do not interfere with the operation of the firearm.
- **Cheek Riser Adjustment:** Adjust the cheek riser only when the firearm is unloaded and pointed in a safe direction. Avoid using excessive force when making adjustments.
- **Length of Pull Adjustment:** Make adjustments to the Length of Pull (LOP) only when the firearm is unloaded. Ensure that the mechanism is functioning correctly to prevent accidental adjustments during use.
- **Sling Mounts:** Use the builtin Quick Detach sling swivel points responsibly. Ensure that slings are properly attached to avoid accidental detachment during use.
- **Environmental Considerations:** Be mindful of humidity and temperature changes that may affect the performance of the chassis. Store in a controlled environment when possible.

Instructions for Installation and Usage

Installation Steps

1. **Unpack the Chassis:** Carefully remove the WOOX Furiosa Chassis from its packaging. Check for any visible damage or missing parts before proceeding.
2. **Prepare the Firearm:** Ensure that the Remington 700 SA AICS is unloaded. Verify that the chamber is clear.
3. **Attach the Chassis:**
 - Align the chassis with the firearm's action.
 - Securely fasten the chassis using the provided screws and tools.
 - Ensure that all screws are tightened to the manufacturer's specifications.
4. **Adjust the Cheek Riser:** Finetune the cheek riser to achieve a comfortable cheek weld. Ensure it is locked in place before use.
5. **Adjust the Length of Pull:** Use the pushbutton mechanism to adjust the LOP as needed. Ensure it is

secure before using the firearm.

6. **Mount Accessories:** Attach any desired accessories using the MLOK® slots and Picatinny rail. Ensure all accessories are securely fastened.

Usage Guidelines

- Always point the firearm in a safe direction when loading, unloading, or adjusting the chassis.
- Be aware of your target and what lies beyond it before firing.
- Regularly check the stability of the chassis and any attached accessories during use.

Disposal Instructions

When disposing of the WOOX Furiosa Chassis, please consider the following:

- Dispose of the chassis in accordance with local regulations regarding electronic waste and firearm accessories.
- If the chassis is damaged beyond repair, ensure that it is disposed of in a way that prevents unauthorized use or access.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Furiosa Chassis, please refer to the manufacturer's official website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your WOOX Furiosa Chassis. Thank you for your attention to safety and responsible firearm use.
