

Exactus Precision Stock Remington 700 SA AICS Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Remington 700 SA AICS. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the stock.

General Safety Guidelines

- Ensure that the stock is used only with compatible firearms.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Regularly inspect the stock for any signs of wear or damage.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Use the stock only for its intended purpose as described in this manual.
- If you experience any issues with the stock, discontinue use and seek assistance.

Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not apply excessive force when making adjustments to the stock, as this may cause damage.
- **Check Compatibility:** Ensure that the stock is properly fitted to your firearm model to prevent accidents.
- **Secure Sling Attachments:** When using the sling support, ensure that all attachments are securely fastened to avoid accidental detachment.
- **Proper Handling:** Always handle your firearm with care. Keep the muzzle pointed in a safe direction at all times.
- **Use Eye Protection:** When shooting, always wear appropriate eye protection to safeguard against debris and potential hazards.
- **Temperature Considerations:** Be aware that extreme temperatures may affect the performance of the materials used in the stock.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Align the stock with the receiver of the firearm.
- Secure the stock using the provided hardware, ensuring it is tightly fastened.
- Check for proper fit and alignment before using the firearm.

2. Adjusting the Stock:

- **MicroAdjustable Cheek Riser:**
 - Loosen the adjustment screws.
 - Adjust the cheek riser to the desired height.
 - Tighten the screws securely before use.
- **Adjustable Length of Pull (LOP):**
 - Locate the adjustment mechanism on the stock.
 - Adjust the length of pull to fit your body and clothing layers.
 - Ensure the adjustment is locked in place before using the firearm.

3. Using the MLOK® Forend Rail:

- Identify the MLOK® slots on the forend.
- Attach accessories such as bipods or rail sections as needed.
- Ensure all accessories are securely fastened before use.

Disposal Instructions

- Dispose of the stock and any associated materials in accordance with local regulations.
