

Exactus Precision Stock Remington 700 SA / Left Hand AICS Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Remington 700 SA / Left Hand AICS. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the product with care and ensure it is unloaded before installation or maintenance.
- Store the stock in a secure location away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and use.
- Use only compatible components with the WOOX Exactus Precision Stock.
- Ensure proper eye and ear protection when using firearms equipped with this stock.

Specific Safety Precautions for Use

- **Avoid Extreme Conditions:** Do not expose the stock to extreme temperatures or humidity, as this may affect its performance and integrity.
- **Proper Installation:** Ensure that the stock is installed correctly to prevent any movement or misalignment during use.
- **Sling Mounting:** When using the integrated QD sling swivel sockets, ensure that the sling is securely attached to avoid accidental detachment during use.
- **Cheek Riser Adjustment:** Adjust the cheek riser carefully to prevent injury. Ensure it is locked in place before use.
- **Length of Pull Adjustment:** Adjust the Length of Pull (LOP) only when the firearm is not in use and ensure it is secure before shooting.

Instructions for Installation and Usage

1. Installation of the Stock:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 SA.
- Align the WOOX Exactus Precision Stock with the receiver and secure it using the provided screws.
- Ensure all screws are tightened to the manufacturer's specifications.

2. Adjusting the Cheek Riser:

- Loosen the adjustment mechanism on the cheek riser.
- Raise or lower the riser to achieve the desired height for eye alignment.
- Tighten the adjustment mechanism securely after positioning.

3. Adjusting the Length of Pull (LOP):

- Locate the LOP adjustment mechanism.
- Pull the mechanism to extend or retract the stock to fit your preference.
- Ensure the adjustment is secure before use.

4. Mounting Accessories:

- Identify the MLOK® slots on the forend.
- Attach your bipod, tripod, or rail sections according to the manufacturer's instructions.
- Ensure all accessories are securely mounted before use.

5. Routine Maintenance:

- Clean the stock regularly with a soft cloth to remove dirt and debris.
- Inspect all components for wear and tear, especially the sling sockets and adjustment mechanisms.

Disposal Instructions

When the WOOX Exactus Precision Stock has reached the end of its life cycle, please dispose of it responsibly. Follow local regulations for the disposal of firearm accessories and materials. Do not dispose of it in regular household waste. Consider recycling options for the aluminum and wood components where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official WOOX website or your local authorized dealer. They can provide you with the necessary assistance and information.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your WOOX Exactus Precision Stock. Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
