

Exactus Precision Stock Remington 700 LA AICS WIN MAG / CIP / CIP+ Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Remington 700 LA AICS WIN MAG / CIP / CIP+. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm and its accessories with respect and care.
- Ensure the stock is compatible with your firearm model before installation.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Always use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:** Ensure the cheek riser is securely locked in place after adjustment to prevent accidental movement during use.
- **Adjustable Length of Pull (LOP):** Confirm that the LOP adjustment is firmly set and does not shift during handling or firing.
- **MLOK® Forend Rail:** When mounting accessories, ensure they are securely attached to prevent them from coming loose or falling off during use.
- **Sling Support:** Always check that the sling swivel sockets are properly installed and secure before use.
- **Weather Resistance:** Although the stock is designed to be weatherresistant, avoid exposing it to extreme conditions for prolonged periods to maintain its integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 LA AICS WIN MAG / CIP / CIP+ according to the manufacturer's instructions.
- Align the WOOX Exactus Precision Stock with the receiver of your firearm.
- Securely attach the stock using the provided screws and tools, ensuring all connections are tight and stable.

2. Adjusting the Stock:

- **Cheek Riser:** Loosen the adjustment knob, position the cheek riser to your desired height, and securely tighten the knob.
- **Length of Pull:** Locate the adjustment lever, pull it to adjust the length of pull, and release to lock it in place.

3. Mounting Accessories:

- Use the integrated MLOK® slots to attach bipods, tripods, or rail sections. Ensure all accessories

are properly tightened.

4. Final Checks:

- Before using your firearm, doublecheck that all adjustments are secure and that the stock is firmly attached to the receiver.

Disposal Instructions

- Dispose of the WOOX Exactus Precision Stock in accordance with your local waste management regulations.
- If the stock is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the WOOX Exactus Precision Stock, please contact the manufacturer directly through their official channels. Always ensure you have the product details on hand for a more efficient response.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can enjoy the full benefits of your WOOX Exactus Precision Stock while ensuring a safe shooting experience. Thank you for your attention to these important safety instructions.
