

Exactus Precision Stock Remington 700 LA BDL Walnut

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Remington 700 LA BDL. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this document carefully to understand how to use the stock safely and responsibly.

General Safety Guidelines

- **Product Safety:** Ensure that you use the WOOX Exactus Precision Stock in accordance with the manufacturer's instructions to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices related to your stock. Follow the manufacturer's guidance for any necessary actions.
- **Online Shopping:** If you purchased this product online, ensure that the platform adheres to safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent misuse or accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's provided contact information.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the stock with care. Avoid dropping or striking it against hard surfaces.
- **Inspection:** Before each use, inspect the stock for any signs of damage or wear. Do not use the stock if it appears compromised.
- **Installation:** Follow the installation instructions carefully to ensure that the stock is securely attached to your firearm.
- **Shooting Environment:** Use the stock in a safe and controlled shooting environment. Ensure that all safety measures are in place.
- **Use of Accessories:** Only use accessories that are compatible with the WOOX Exactus Precision Stock. Improper accessories may lead to malfunction or accidents.
- **Sling Support:** When using the integrated QD sling swivel sockets, ensure that they are securely attached before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 LA BDL by unscrewing the action screws.
- Align the WOOX Exactus Precision Stock with the action of your firearm.
- Securely fasten the stock using the action screws provided. Ensure that they are tightened to the manufacturer's specifications.
- Check the fit and ensure that the stock is firmly attached before proceeding.

2. Usage:

- Adjust the Cheek Riser to achieve proper eye alignment with your optics. This can be done using the microadjustable feature.
- Tailor the Length of Pull (LOP) to fit your body size and clothing layers. Use the quick adjustment

mechanism for precise fitting.

- Attach any accessories, such as bipods or tripods, to the MLOK® Forend Rail as needed.
- Always maintain a proper shooting stance and ensure that your firearm is properly supported while aiming and firing.

Disposal Instructions

- **Disposal of Product:** When the WOOX Exactus Precision Stock reaches the end of its life or if you decide to dispose of it, follow local regulations for the disposal of firearms accessories.
- **Recycling:** If possible, recycle components made of aluminum and wood according to your local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Exactus Precision Stock, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your WOOX Exactus Precision Stock. Thank you for your attention to safety and for choosing WOOX.
