

Exactus Precision Stock Howa 1500/ Weatherby Vanguard LA BDL Laminated Tiger Wood

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Howa 1500 or Weatherby Vanguard LA. This product is designed to enhance your shooting experience while ensuring safety and stability. Please read this safety instruction guide carefully to understand how to use and maintain your stock safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition separately and securely.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use appropriate personal protective equipment (PPE), including eye and ear protection.
- Regularly inspect your stock for any signs of wear or damage before use.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:** Ensure the cheek riser is securely adjusted before shooting to maintain proper eye alignment with your optics.
- **Adjustable Length of Pull (LOP):** Always check that the LOP is set correctly for your build to avoid discomfort or improper shooting posture.
- **MLOK® Forend Rail:** When mounting accessories, ensure they are securely attached to prevent them from loosening during use.
- **Sling Support:** Use the integrated QD sling swivel sockets properly to avoid accidental detachment of your sling.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition before starting the installation process.
2. **Remove the Existing Stock:** Use the appropriate tools to detach the existing stock from your firearm.
3. **Attach the WOOX Exactus Precision Stock:**
 - Align the stock with the firearm's receiver.
 - Securely fasten the stock using the provided screws, ensuring no movement occurs.
4. **Adjustments:**
 - Adjust the length of pull using the quick adjustment mechanism to fit your preference.
 - Set the cheek riser height to achieve optimal eye alignment with your optics.

Usage

- Always ensure your firearm is in a safe condition before handling.
- Regularly check the stock for secure fittings and adjustments before each use.
- Practice safe shooting techniques and follow all safety protocols while using your firearm.

Disposal Instructions

When disposing of the WOOX Exactus Precision Stock, please follow these guidelines:

- Do not dispose of the stock in regular household waste.
- Check local regulations regarding the disposal of firearm accessories.
- If the stock is damaged beyond repair, contact a local recycling center for proper disposal methods.
- Ensure that all components are disposed of safely to prevent any potential hazards.

Contact Information for Further Support
