

Exactus Precision Stock Howa 1500/ Weatherby Vanguard LA BDL Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual carefully before using the stock to understand how to operate it safely and effectively.

General Safety Guidelines

- Always handle firearms and accessories with care, following all safety protocols.
- Ensure that the stock is compatible with your firearm model (Howa 1500/Weatherby Vanguard LA BDL).
- Inspect the stock regularly for any signs of wear or damage before use.
- Store the stock in a cool, dry place to protect it from moisture and extreme temperatures.
- Keep the stock out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:** Ensure that the cheek riser is securely adjusted before use to maintain proper eye alignment with optics.
- **Adjustable Length of Pull (LOP):** Adjust the length of pull to suit your body size and clothing layers. Ensure the adjustment mechanism is locked in place before firing.
- **MLOK® Forend Rail:** When mounting accessories, ensure they are securely attached to prevent them from coming loose during use.
- **Sling Support:** Always use the integrated QD (Quick Detach) sling swivel sockets for secure sling mounting to avoid accidental detachment.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and safe to handle.
- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Attach the WOOX Exactus Precision Stock by aligning it with the receiver and securing it using the provided hardware.
- Confirm that the stock is firmly attached and does not wobble.

2. Usage:

- Before using the stock, familiarize yourself with its features, including the microadjustable cheek riser and adjustable length of pull.
- When adjusting the cheek riser, do so gradually to find the most comfortable position for your shooting style.
- Adjust the length of pull according to your preference and ensure it is locked before shooting.
- Maintain a proper shooting stance and grip to enhance stability and accuracy.

Disposal Instructions

- Dispose of the WOOX Exactus Precision Stock in accordance with local regulations.
- If the stock is damaged or no longer needed, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste if it contains hazardous components.

Contact Information for Further Support
