

Exactus Precision Stock Sauer 100 DBM Laminated Tiger Wood

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your shooting and hunting needs. This guide provides essential safety information to ensure the safe and effective use of your product. Please read this manual thoroughly before use.

General Safety Guidelines

- Ensure that your WOOX Exactus Precision Stock is used only with compatible firearms.
- Always treat your firearm with respect and handle it safely, following the fundamental rules of firearm safety.
- Inspect the stock for any damage or wear before each use. Do not use the stock if it shows signs of damage.
- Keep the stock and all accessories out of reach of children and unauthorized users.
- Store your firearm and accessories in a secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:** Adjust the cheek riser to ensure proper eye alignment with your optics. Avoid overtightening to prevent damage.
- **Adjustable Length of Pull (LOP):** Make adjustments carefully to fit your build or clothing layers. Ensure that adjustments are secure before use.
- **MLOK® Forend Rail:** Use only compatible accessories with the MLOK® system. Ensure that all mounted items are securely attached before use.
- **Sling Support:** Use the integrated QD sling swivel sockets only with compatible slings. Ensure that the sling is securely attached before use.
- **Weather Resistance:** While the stock is designed to be weatherresistant, avoid exposing it to extreme conditions for prolonged periods. Clean and dry the stock after exposure to moisture.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Align the WOOX Exactus Precision Stock with the firearm's receiver.
- Securely attach the stock using the provided hardware, ensuring a tight fit without overtightening.
- Check that the stock is firmly attached and does not wobble.

2. Usage:

- Before using the firearm with the stock, perform a function check to ensure everything operates correctly.
- Adjust the MicroAdjustable Cheek Riser to your preferred height for optimal eye alignment.
- Adjust the Length of Pull (LOP) to fit your shooting stance and clothing.
- Attach any desired accessories to the MLOK® Forend Rail, ensuring they are securely fastened.
- Use the sling support to attach your sling, ensuring it is secure and functional.

Disposal Instructions

- When disposing of the WOOX Exactus Precision Stock, follow local regulations for the disposal of firearm accessories.
- If the stock is no longer usable, consider recycling any metal components where possible.
- Ensure that any disposed items do not pose a risk to the environment or public safety.
