

Exactus Precision Stock Blaser R8 DBM Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock. This product is designed to enhance your shooting experience by providing matchgrade stability and a comfortable feel. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that the stock is compatible with your firearm model before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Avoid Overtightening:** When installing the stock, do not overtighten screws or fittings as this may damage the components.
- **Check Compatibility:** Verify that your firearm is compatible with the WOOX Exactus Precision Stock to prevent malfunctions.
- **Use Proper Ammunition:** Ensure that you are using the correct type of ammunition for your firearm to maintain safety and performance.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when using firearms.
- **Secure Sling Mounts:** Ensure that the sling swivel sockets are securely attached before use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the existing stock from your firearm following the manufacturer's instructions.
- Align the WOOX Exactus Precision Stock with the receiver of your firearm.
- Securely attach the stock using the provided screws, ensuring that they are tightened to the manufacturer's specifications without overtightening.
- Install any accessories (e.g., bipods, tripods) using the integrated MLOK® slots as needed.

2. Usage:

- Adjust the MicroAdjustable Cheek Riser to achieve the desired height for optimal eye alignment with your optics.
- Adjust the Length of Pull (LOP) to fit your individual build or clothing layers using the quick adjustment mechanism.
- Ensure that the stock is stable and secure before firing.

Disposal Instructions

- Dispose of the WOOX Exactus Precision Stock in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.
