

Exactus Precision Stock Tikka T3/T3X CTR DBM Laminated Tiger Wood

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Tikka T3/T3X CTR DBM rifle. This safety instruction guide is designed to help you understand how to use your product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the WOOX Exactus Precision Stock by following all guidelines provided in this manual. This product is designed for nonfood use and meets the safety standards outlined by EU regulations.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by responsible adults who are familiar with firearms and shooting safety.
- **EU Contact Point:** For any safety inquiries, please refer to an EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this safety instruction guide before using the WOOX Exactus Precision Stock.
- **Inspect Before Use:** Check the stock for any signs of damage or wear before installation and use. Do not use if damaged.
- **Proper Fit:** Ensure that the stock is properly fitted to your rifle model (Tikka T3/T3X CTR DBM) to maintain stability and accuracy.
- **Use Appropriate Ammunition:** Always use ammunition that is compatible with your rifle and stock to prevent accidents.
- **Shooting Environment:** Only use the stock in a safe shooting environment. Ensure that the area is clear of people and obstacles.
- **Storage:** Store the stock in a cool, dry place away from direct sunlight and moisture to prevent deterioration of materials.
- **Sling Use:** When attaching a sling, ensure that it is securely fastened to prevent accidental detachment during use.

Instructions for Installation and Usage

Installation

1. **Prepare the Stock:** Ensure you have all necessary tools for installation, including a compatible screwdriver and any required mounting hardware.
2. **Remove Existing Stock:** If replacing an existing stock, carefully remove it from the rifle following the manufacturer's instructions.
3. **Align the MiniChassis:** Position the WOOX Exactus Precision Stock on the rifle, ensuring that the aluminum minichassis aligns with the receiver.

4. **Secure the Stock:** Use the provided screws to securely fasten the stock to the receiver. Ensure all screws are tightened according to the manufacturer's specifications.
5. **Adjust the Cheek Riser:** Set the cheek riser to your preferred height for optimal eye alignment with your optics.
6. **Adjust Length of Pull (LOP):** Use the adjustment mechanism to tailor the stock fit to your body size or clothing layers.

Usage

- **Check Alignment:** Before shooting, ensure that the stock is properly aligned and that the cheek riser and LOP adjustments are set correctly.
- **Shooting Position:** Maintain a stable shooting position to maximize accuracy. Use the MLOK® forend rail to attach bipods or other accessories as needed.
- **Monitor Conditions:** Be aware of environmental conditions that may affect shooting, such as humidity and temperature changes that can impact accuracy.

Disposal Instructions

- **Recycling:** When disposing of the WOOX Exactus Precision Stock, consider recycling materials where possible. Check local regulations for proper disposal methods.
- **Hazardous Materials:** Ensure that any materials that may be considered hazardous are disposed of in accordance with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Exactus Precision Stock, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you are reaching out to an EU-based contact for safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WOOX Exactus Precision Stock. Thank you for your attention to safety.
