

Exactus Precision Stock Savage 110 LA DBM Laminated Tiger Wood

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Savage 110 LA DBM. This safety instruction guide is designed to ensure the safe and effective use of your product. Please read the following information carefully to understand the safety precautions, installation instructions, and proper usage of your stock.

General Safety Guidelines

- Always follow the manufacturer's recommendations for use and maintenance.
- Ensure the stock is compatible with your rifle model before installation.
- Inspect the stock regularly for any signs of wear or damage.
- Keep the stock and all related components out of reach of children.
- Use the stock only for its intended purpose: precision shooting and hunting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:**
 - Adjust the cheek riser only when the rifle is unloaded and pointed in a safe direction.
 - Ensure the riser is securely locked in place before use.
- **Adjustable Length of Pull (LOP):**
 - Adjust the LOP only when the rifle is unloaded and pointed in a safe direction.
 - Confirm that the adjustment mechanism is functioning properly before use.
- **MLOK® Forend Rail:**
 - Use only compatible accessories with the MLOK® slots.
 - Tighten all mounted accessories securely to prevent movement during use.
- **Sling Support:**
 - Ensure that the sling is properly attached to the QD sockets before use.
 - Regularly check the sling for wear and secure attachment.

Instructions for Installation and Usage

1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Savage 110 LA DBM following the manufacturer's instructions.
- Align the WOOX Exactus Precision Stock with the rifle's receiver.
- Securely attach the stock using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.

2. Usage:

- Before using the rifle, perform a safety check to ensure it is unloaded.
- Adjust the cheek riser and length of pull to fit your build and shooting style.
- Mount any accessories to the MLOK® rail as needed, ensuring they are secure.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support
