

Exactus Precision Stock Savage 110 LA DBM Walnut

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Exactus Precision Stock for your Savage 110 LA DBM. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before use to ensure a safe experience.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the stock.
- Keep the stock away from children and unauthorized users.
- Inspect the stock regularly for any signs of wear or damage.
- Avoid using the stock in extreme weather conditions that could affect its integrity.
- Store the stock in a cool, dry place when not in use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:** Ensure that the cheek riser is securely locked in place before use to prevent accidental adjustments during shooting.
- **Adjustable Length of Pull (LOP):** Adjust the LOP carefully. Make sure that adjustments are secure to avoid any unintended movement while shooting.
- **MLOK® Forend Rail:** When mounting accessories, ensure that they are compatible and securely attached to prevent accidents.
- **Sling Support:** Use the integrated QD sling swivel sockets as intended. Ensure that slings are properly attached to avoid accidental detachment.

Instructions for Installation and Usage

1. Installation of the Stock:

- Ensure that the firearm is unloaded.
- Remove the existing stock from the Savage 110 LA DBM following the manufacturer's instructions.
- Align the WOOX Exactus Precision Stock with the receiver and ensure a secure fit.
- Use the provided hardware to attach the stock to the receiver. Ensure all screws are tightened to the recommended torque specifications.

2. Adjusting the MicroAdjustable Cheek Riser:

- Loosen the adjustment knob located on the cheek riser.
- Move the cheek riser to the desired height.
- Tighten the adjustment knob securely to lock the riser in place.

3. Adjusting the Length of Pull (LOP):

- Locate the adjustment mechanism on the stock.
- Pull or push the mechanism to adjust the LOP to your preference.
- Ensure that the adjustment is secure before use.

4. Using the MLOK® Forend Rail:

- Identify the MLOK® slots along the forend.
- Select the appropriate accessory for mounting.
- Follow the accessory manufacturer's instructions for secure mounting.

5. Using the Sling Support:

- Attach the sling swivel to the integrated QD sockets.
- Ensure that the sling is secure and properly adjusted for your use.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any questions or safety inquiries regarding the WOOX Exactus Precision Stock, please refer to the product packaging or the manufacturer's website for further support.

Please remember to report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention and safe shooting!
