

Cobra Precision Stock Remington 700 SA BDL Laminated Tiger Wood

The WOOX Merica Precision Stock is a hybrid bolt-action chassis designed to blend traditional American aesthetic with modern modularity. It features a hand-crafted American Walnut exterior paired with a precision-machined, aerospace-grade aluminum skeleton, offering the stability of a chassis system without sacrificing the feel of a traditional wood stock.

Hybrid Construction: Combines the beauty and warmth of hand-oiled American Walnut with an AA 7075 aluminum internal chassis for rock-solid action bedding.

Drop-In Installation: Engineered for a perfect fit without the need for pillars or additional glass bedding.

Modular M-LOK® Forend: The vented walnut forend features M-LOK slots at the 3, 6, and 9 o'clock positions, allowing for the attachment of bipods, lights, and other precision accessories.

Ergonomic Design: Features an ambidextrous grip with aggressive checkering for a secure hold, plus a microcell butt pad for recoil management.

Adjustability: Length of Pull (LOP) is adjustable via included spacers (standard LOP is approx. 13.25").

WOOX Cobra Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Cobra Precision Stock for your Remington 700 SA BDL. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure you are using the stock in a welllit area and have all necessary tools at hand.
- **Handling:** Always treat the firearm as if it is loaded. Never point the firearm at anything you do not intend to shoot.
- **Adjustability:** When adjusting the Length of Pull (LOP), ensure that spacers are securely in place to prevent accidental movement.
- **Ergonomic Use:** Use the ambidextrous grip properly to maintain control of the firearm and reduce the risk of slippage.
- **Recoil Management:** Use the microcell butt pad effectively to manage recoil and maintain a firm hold during shooting.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the WOOX Cobra Precision Stock from its packaging.
- Inspect the stock for any visible damage or defects.

2. Installation:

- Ensure the firearm is unloaded.
- Remove the original stock from your Remington 700 SA BDL.
- Align the WOOX Cobra Precision Stock with the action of the firearm.
- Secure the stock using the provided screws, ensuring a tight fit without overtightening.

3. Adjusting Length of Pull (LOP):

- Use the included spacers to adjust the LOP to your preference.
- Confirm that spacers are installed correctly and securely.

4. Using the MLOK® Forend:

- Attach accessories to the MLOK slots at the 3, 6, and 9 o'clock positions as needed.
- Ensure that all attachments are firmly secured before use.

5. PostInstallation Check:

- Conduct a final inspection to ensure everything is properly installed and secured.
- Test the stock by shouldering the firearm and ensuring a comfortable fit.

Disposal Instructions

- Dispose of the WOOX Cobra Precision Stock in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.
