

Cobra Precision Stock Sauer 100 DBM Walnut

The WOOX Merica Precision Stock is a hybrid bolt-action chassis designed to blend traditional American aesthetic with modern modularity. It features a hand-crafted American Walnut exterior paired with a precision-machined, aerospace-grade aluminum skeleton, offering the stability of a chassis system without sacrificing the feel of a traditional wood stock.

Hybrid Construction: Combines the beauty and warmth of hand-oiled American Walnut with an AA 7075 aluminum internal chassis for rock-solid action bedding.

Drop-In Installation: Engineered for a perfect fit without the need for pillars or additional glass bedding.

Modular M-LOK® Forend: The vented walnut forend features M-LOK slots at the 3, 6, and 9 o'clock positions, allowing for the attachment of bipods, lights, and other precision accessories.

Ergonomic Design: Features an ambidextrous grip with aggressive checkering for a secure hold, plus a microcell butt pad for recoil management.

Adjustability: Length of Pull (LOP) is adjustable via included spacers (standard LOP is approx. 13.25").

WOOX Cobra Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Cobra Precision Stock. This guide provides essential safety instructions to ensure the safe and effective use of your product. It is crucial to read and understand these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Always handle the WOOX Cobra Precision Stock with care and respect.
- Ensure the stock is compatible with your firearm model before installation.
- Regularly inspect the stock for any signs of wear or damage.
- Store the stock in a safe and dry environment when not in use.
- Keep the stock away from children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the stock is securely fitted to your firearm. An improper fit can lead to malfunctions or accidents.
- **Installation:** Follow the installation instructions carefully to avoid potential hazards.
- **Modular Accessories:** When using MLOK slots for attaching accessories, ensure that they are securely fastened to prevent accidental detachment.
- **Recoil Management:** Use the microcell butt pad appropriately to manage recoil effectively. Improper use can lead to discomfort or injury.
- **Ambidextrous Grip:** Be aware of the grip design and ensure a secure hold, regardless of your dominant hand.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your firearm is unloaded and safe to handle.
- Remove the existing stock from your firearm, following the manufacturer's instructions.
- Align the WOOX Cobra Precision Stock with the action of your firearm.
- Securely attach the stock using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Test the fit by gently shaking the firearm to ensure there is no movement between the stock and receiver.

2. Usage:

- Adjust the Length of Pull (LOP) using the included spacers for a comfortable fit.
- When using the stock, maintain a firm grip and practice safe shooting habits.
- Regularly check the stock and its components for any signs of wear or damage.

Disposal Instructions

- Dispose of the WOOX Cobra Precision Stock according to local regulations for nonhazardous materials.
- If the stock is damaged beyond repair, contact local waste management for guidance on disposal.

Contact Information for Further Support

For safety inquiries or concerns regarding the WOOX Cobra Precision Stock, please refer to the manufacturer's website or contact their customer support. It is essential to have access to support for any questions related to safety or product use.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WOOX Cobra Precision Stock. Thank you for prioritizing safety in your firearm practices.
