

Cobra Precision Stock Tikka T3/T3X CTR DBM Walnut

The WOOX Merica Precision Stock is a hybrid bolt-action chassis designed to blend traditional American aesthetic with modern modularity. It features a hand-crafted American Walnut exterior paired with a precision-machined, aerospace-grade aluminum skeleton, offering the stability of a chassis system without sacrificing the feel of a traditional wood stock.

Hybrid Construction: Combines the beauty and warmth of hand-oiled American Walnut with an AA 7075 aluminum internal chassis for rock-solid action bedding.

Drop-In Installation: Engineered for a perfect fit without the need for pillars or additional glass bedding.

Modular M-LOK® Forend: The vented walnut forend features M-LOK slots at the 3, 6, and 9 o'clock positions, allowing for the attachment of bipods, lights, and other precision accessories.

Ergonomic Design: Features an ambidextrous grip with aggressive checkering for a secure hold, plus a microcell butt pad for recoil management.

Adjustability: Length of Pull (LOP) is adjustable via included spacers (standard LOP is approx. 13.25").

WOOX Cobra Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Cobra Precision Stock for your Tikka T3/T3X CTR. This guide provides important safety instructions, general guidelines, and installation information to ensure safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the WOOX Cobra Precision Stock is used only with compatible firearms as specified by the manufacturer.
- Always handle firearms with care and follow all applicable laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Inspect the stock regularly for any signs of wear or damage. Do not use if damaged.
- Store the stock in a secure location when not in use to prevent unauthorized access.
- Be aware of your surroundings when handling your firearm to avoid accidents.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling firearms.
- Do not modify the stock or any of its components. Modifications may compromise safety and performance.
- Be cautious when using accessories attached to the MLOK® forend, ensuring that they do not interfere with the operation of the firearm.
- Ensure that the length of pull (LOP) is adjusted to fit the user comfortably, avoiding any position that may lead to an unsafe grip or stance.
- Regularly check the tightness of screws and fittings to ensure stability during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the WOOX Cobra Precision Stock with the receiver, ensuring proper fit.
- Securely attach the stock using the provided screws, ensuring they are tightened adequately.
- Check for stability and fit before proceeding to use the firearm.

2. Usage:

- Adjust the length of pull (LOP) using the included spacers to fit your preference. The standard LOP is approximately 13.25 inches.
- Ensure the ambidextrous grip is positioned correctly for your shooting style.
- Attach any accessories to the MLOK® forend as needed, ensuring they are securely fastened.
- Before firing, doublecheck that the firearm is properly secured in the stock and all components are functioning correctly.

Disposal Instructions

- Dispose of the WOOX Cobra Precision Stock responsibly at the end of its life cycle.
- Follow local regulations for the disposal of firearm accessories and materials.
- Do not incinerate or dispose of the stock in regular household waste.

Contact Information for Further Support
