

Cobra Precision Stock Savage 110 SA DBM Walnut

The WOOX Merica Precision Stock is a hybrid bolt-action chassis designed to blend traditional American aesthetic with modern modularity. It features a hand-crafted American Walnut exterior paired with a precision-machined, aerospace-grade aluminum skeleton, offering the stability of a chassis system without sacrificing the feel of a traditional wood stock.

Hybrid Construction: Combines the beauty and warmth of hand-oiled American Walnut with an AA 7075 aluminum internal chassis for rock-solid action bedding.

Drop-In Installation: Engineered for a perfect fit without the need for pillars or additional glass bedding.

Modular M-LOK® Forend: The vented walnut forend features M-LOK slots at the 3, 6, and 9 o'clock positions, allowing for the attachment of bipods, lights, and other precision accessories.

Ergonomic Design: Features an ambidextrous grip with aggressive checkering for a secure hold, plus a microcell butt pad for recoil management.

Adjustability: Length of Pull (LOP) is adjustable via included spacers (standard LOP is approx. 13.25").

WOOX Cobra Precision Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Cobra Precision Stock for your Savage 110 SA DBM. This product combines traditional craftsmanship with modern technology to enhance your shooting experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure the firearm is unloaded when installing or adjusting the stock.
- Be aware of your surroundings and ensure a safe shooting environment.
- Store the firearm and stock in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for the firearm and stock combination.
- Ensure that all components are compatible before installation.
- Use only recommended accessories with the MLOK slots.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- If you experience any unusual sounds or movements during use, stop immediately and inspect the stock and firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original stock from the Savage 110 SA DBM according to the manufacturer's instructions.
- Align the WOOX Cobra Precision Stock with the action of the firearm.
- Secure the stock using the provided screws, ensuring a tight fit without overtightening.
- Check that the stock is properly seated and that there are no gaps between the stock and the action.

2. Adjustability:

- To adjust the Length of Pull (LOP), use the included spacers. Remove or add spacers as needed to achieve the desired length.
- Ensure that the microcell butt pad is properly installed for optimal recoil management.

3. Usage:

- Hold the firearm with a firm grip using the ambidextrous grip.
- Utilize the MLOK slots for attaching accessories such as bipods or lights as needed.
- Regularly check the tightness of all screws and components during use.

Disposal Instructions

- Dispose of the WOOX Cobra Precision Stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Cobra Precision Stock, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WOOX Cobra Precision Stock. Thank you for your attention to safety and responsible firearm handling.
