

Cobra Precision Stock Savage 110 SA DBM Laminated Tiger Wood

The WOOX Merica Precision Stock is a hybrid bolt-action chassis designed to blend traditional American aesthetic with modern modularity. It features a hand-crafted American Walnut exterior paired with a precision-machined, aerospace-grade aluminum skeleton, offering the stability of a chassis system without sacrificing the feel of a traditional wood stock.

Hybrid Construction: Combines the beauty and warmth of hand-oiled American Walnut with an AA 7075 aluminum internal chassis for rock-solid action bedding.

Drop-In Installation: Engineered for a perfect fit without the need for pillars or additional glass bedding.

Modular M-LOK® Forend: The vented walnut forend features M-LOK slots at the 3, 6, and 9 o'clock positions, allowing for the attachment of bipods, lights, and other precision accessories.

Ergonomic Design: Features an ambidextrous grip with aggressive checkering for a secure hold, plus a microcell butt pad for recoil management.

Adjustability: Length of Pull (LOP) is adjustable via included spacers (standard LOP is approx. 13.25").

WOOX Cobra Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Cobra Precision Stock for your Savage 110 SA DBM. This guide provides essential safety information to ensure the proper use and maintenance of your product. Please read this document carefully to maximize safety and performance.

General Safety Guidelines

- Always handle firearms and firearm accessories responsibly and safely.
- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunction.
- Use of damaged or worn components can compromise safety.
- Inadequate recoil management can lead to discomfort or injury.

- **Instructions for Avoiding Hazards:**

- Always ensure the stock is securely attached to the firearm before use.
- Do not use the stock if it shows signs of damage or wear.
- Adjust the Length of Pull (LOP) carefully to ensure a comfortable fit.
- Use the microcell butt pad for effective recoil management.
- Ensure all accessories attached to the MLOK forend are securely fastened.

- **Audience Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 unless supervised by an adult.
- Special care should be taken when allowing inexperienced users to handle the firearm equipped with this stock.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is completely unloaded.
2. Remove the existing stock from the Savage 110 SA DBM.
3. Align the WOOX Cobra Precision Stock with the action of the firearm.
4. Securely fasten the stock using the provided screws. Ensure a tight fit without overtightening.
5. Check that the stock is properly aligned and securely attached.

- **Usage:**

- Adjust the Length of Pull (LOP) using the included spacers to suit your preference.

- Attach accessories to the MLOK forend as needed for your shooting requirements.
- Maintain a firm grip on the ambidextrous grip while firing to ensure control.
- Regularly check the stock and its components for any signs of wear or damage.

Disposal Instructions

- Dispose of the WOOX Cobra Precision Stock in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the stock in regular household waste.
