

SuperLeggera Stock - SuperLeggera Stock Remington 700 LA DBM WIN MAG / CIP / CIP+ Walnut - Fixed Cheek

The WOOX Superleggera (Italian for "super light") is designed specifically for hunters and shooters who demand a rifle stock that is exceptionally light for long treks and off-hand shooting, without sacrificing the rigid performance of a chassis system. It is the lightest stock in the WOOX lineup, optimized for weight reduction while retaining the premium look of American Walnut.

Ultra-Lightweight Profile: Engineered to shed as much weight as possible, making it the ideal choice for mountain hunting or situations where every ounce counts.

Hybrid Construction: Maintains the classic WOOX signature—a premium, hand-oiled American Walnut exterior fused with a lightweight aluminum skeleton for structural integrity.

Streamlined Ergonomics: The design is stripped down to essentials, focusing on a comfortable, natural carry while maintaining the stability needed for precision shots.

Drop-In Ready: Like other WOOX stocks, the Superleggera is designed as a drop-in component, requiring no custom bedding or gunsmithing.
