The WOOX Superleggera (Italian for "super light") is WOOX's flagship lightweight hunting stock system. It is designed specifically for long treks, backcountry hunting, and mountain rifles where keeping weight to a minimum is crucial, while maintaining the accuracy and rigidity of a modern chassis.

Weight: Approx. 2.1 lbs (950 g) – their lightest stock, saving significant weight over full-aluminum models like the Furiosa.

Chassis Core: Carbon-reinforced mini-chassis backbone for structural rigidity and consistent accuracy without requiring custom glass bedding (True Drop-In).

Exterior: Premium hand-oiled American Walnut on the stock body and grip.

Compatibility Options: Remington 700 (Short and Long Actions) + clones (Bergara B-14, Christensen, etc.), Tikka T3/T3x, Savage 110, Howa 1500, Ruger American, and more.
