

SuperLeggera Stock CZ 457 DBM Walnut - Fixed Cheek

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The WOOX Superleggera (Italian for "super light") is WOOX's flagship lightweight hunting stock system. It is designed specifically for long treks, backcountry hunting, and mountain rifles where keeping weight to a minimum is crucial, while maintaining the accuracy and rigidity of a modern chassis.

Weight: Approx. 2.1 lbs (950 g) – their lightest stock, saving significant weight over full-aluminum models like the Furiosa.

Chassis Core: Carbon-reinforced mini-chassis backbone for structural rigidity and consistent accuracy without requiring custom glass bedding (True Drop-In).

Exterior: Premium hand-oiled American Walnut on the stock body and grip.

Compatibility Options: Remington 700 (Short and Long Actions) + clones (Bergara B-14, Christensen, etc.), Tikka T3/T3x, Savage 110, Howa 1500, Ruger American, and more.

WOOX SuperLeggera Stock Safety Instructions

Introduction

Thank you for choosing the WOOX SuperLeggera Stock CZ 457 DBM Walnut Fixed Cheek. This product is designed for lightweight hunting and shooting applications. Please read and follow these safety instructions carefully to ensure safe and effective use of your new stock.

General Safety Guidelines

- Ensure that the stock is compatible with your firearm before use.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the stock and firearm out of the reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear.
- Do not use the stock if it shows signs of damage or if any components are missing.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Considerations:** The WOOX SuperLeggera Stock is lightweight (approx. 2.1 lbs). Be aware that this may affect your handling and stability while shooting.
- **Material Handling:** The stock is made from premium handoiled American Walnut. Avoid exposing it to excessive moisture or extreme temperatures to prevent damage.
- **Compatibility:** Ensure compatibility with your firearm model (Remington 700, Tikka T3/T3x, Savage 110, etc.) before installation.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to accidents.
- **Shooting Position:** Always assume a safe shooting position and ensure that the stock is securely mounted to the firearm before firing.
- **Maintenance:** Regularly clean and maintain the stock to ensure optimal performance and longevity.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing stock from your firearm according to the manufacturer's instructions.
- Align the WOOX SuperLeggera Stock with the firearm's action and carefully insert the action into the stock.
- Secure the action using the provided screws, ensuring that they are tightened to the manufacturer's specifications.
- Check the fit and ensure that the stock is firmly attached before use.

2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the stock as intended for shooting and hunting purposes only.
- Avoid using the stock in a manner that it was not designed for, such as using it as a tool or weapon for purposes other than shooting.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or support, please consult your local retailer or manufacturer's website for assistance.
