

SuperLeggera Stock - High Grade CZ 457 DBM High Grade Walnut - Adjustable Cheek

The WOOX Superleggera (Italian for "super light") is WOOX's flagship lightweight hunting stock system. It is designed specifically for long treks, backcountry hunting, and mountain rifles where keeping weight to a minimum is crucial, while maintaining the accuracy and rigidity of a modern chassis.

Weight: Approx. 2.1 lbs (950 g) – their lightest stock, saving significant weight over full-aluminum models like the Furiosa.

Chassis Core: Carbon-reinforced mini-chassis backbone for structural rigidity and consistent accuracy without requiring custom glass bedding (True Drop-In).

Exterior: Premium hand-oiled American Walnut on the stock body and grip.

Compatibility Options: Remington 700 (Short and Long Actions) + clones (Bergara B-14, Christensen, etc.), Tikka T3/T3x, Savage 110, Howa 1500, Ruger American, and more.

Safety Instruction Guide for WOOX SuperLeggera Stock

Introduction

Thank you for choosing the WOOX SuperLeggera Stock. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always inspect the stock before use to ensure there are no visible damages or defects.
- Do not modify the stock in any way, as this may affect its safety and performance.
- Keep the stock out of reach of children and vulnerable individuals when not in use.
- Use the stock only with compatible firearms as specified in the compatibility options.
- Always follow the manufacturer's guidelines for the safe handling and operation of firearms.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Wear appropriate safety gear, including eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the stock in extreme weather conditions that may affect performance.
- Regularly clean and maintain the stock to ensure optimal performance and safety.
- If you notice any unusual sounds or movements while using the stock, cease use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the stock with the firearm's action.
- Secure the stock using the provided screws and tools, ensuring a tight fit.
- Check for any movement or play between the stock and the firearm.

2. Usage:

- Adjust the cheek piece to your preferred height for optimal aiming.
- Maintain a firm grip on the stock while aiming and firing.
- After use, clean the stock with a soft cloth to remove dirt and moisture.

Disposal Instructions

- Dispose of the stock according to local regulations for nonhazardous waste.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the stock in general waste if it contains any hazardous materials.

Contact Information for Further Support
