

SuperLeggera Stock Ruger 10/22 10/22 DBM Walnut - Adjustable Cheek

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The WOOX Superleggera (Italian for "super light") is WOOX's flagship lightweight hunting stock system. It is designed specifically for long treks, backcountry hunting, and mountain rifles where keeping weight to a minimum is crucial, while maintaining the accuracy and rigidity of a modern chassis.

Weight: Approx. 2.1 lbs (950 g) – their lightest stock, saving significant weight over full-aluminum models like the Furiosa.

Chassis Core: Carbon-reinforced mini-chassis backbone for structural rigidity and consistent accuracy without requiring custom glass bedding (True Drop-In).

Exterior: Premium hand-oiled American Walnut on the stock body and grip.

Compatibility Options: Remington 700 (Short and Long Actions) + clones (Bergara B-14, Christensen, etc.), Tikka T3/T3x, Savage 110, Howa 1500, Ruger American, and more.

WOOX SuperLeggera Stock Safety Instructions

Introduction

Thank you for choosing the WOOX SuperLeggera Stock for your Ruger 10/22. This lightweight hunting stock system is designed for optimal performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use your product safely and effectively.

General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded, even when you believe they are not.
- Store your firearm and the WOOX SuperLeggera Stock in a secure place, away from children and unauthorized users.
- Regularly inspect your stock for any signs of wear or damage. Do not use the stock if it appears compromised.
- Follow all local laws and regulations regarding firearm use and storage.
- Use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.

Specific Safety Precautions for Use

- Ensure that the stock is properly secured to the firearm before use.
- Avoid using the stock in wet or humid conditions to prevent damage to the wood.
- Do not modify the stock in any way. Modifications can compromise safety and performance.
- Be cautious when adjusting the cheek piece to avoid pinching fingers or causing injury.
- Always ensure that the firearm is pointed in a safe direction when handling.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Ruger 10/22 by unscrewing the action screws.
- Align the action of the Ruger 10/22 with the WOOX SuperLeggera Stock.
- Secure the firearm in the new stock using the provided screws. Ensure all screws are tightened properly.

2. Adjusting the Cheek Piece

- Loosen the adjustment screws on the cheek piece.
- Slide the cheek piece to the desired height.
- Tighten the adjustment screws to secure the cheek piece in place.

3. Usage

- Once installed, familiarize yourself with the feel and handling of the firearm with the new stock.
- Practice safe handling and shooting techniques at a controlled range.

Disposal Instructions

- Dispose of the WOOX SuperLeggera Stock in accordance with local waste management regulations.
- If the stock is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the stock, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or support regarding the WOOX SuperLeggera Stock, please refer to the manufacturer's website or contact your local dealer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WOOX SuperLeggera Stock. Always prioritize safety and responsible firearm handling.
