

Bravado - Handguard Henry X MODEL - LARGE FRAME .360 Buckhammer Walnut

Unlike their bolt-action rifle stocks, the WOOX Bravado brings WOOX's signature American Walnut and aluminum hybrid design to modern tactical platforms (specifically AR-15 / AR-10 and Lever Action rifle setups depending on the selected variant).

Hybrid Construction: Machined hard-anodized aluminum inner core clad with genuine American Walnut outer grip panels.

Accessory Support: Integrated M-LOK slots along the sides and bottom for mounting lights, grips, bipods, or sling mounts without damaging the wood.

Ergonomics: Designed for a secure, comfortable grip that insulates against barrel heat while delivering a high-end custom aesthetic.

Compatibility: Offered in multiple lengths and platform-specific fitments (standard AR-15 / AR-10 barrel nut configurations as well as lever-action fore-end mounts).

WOOX Bravado Handguard Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Bravado Handguard for your firearm. This product is designed for use with Henry X LARGE FRAME rifles, specifically for the .360 Buckhammer variant. It combines advanced materials and ergonomic design to enhance your shooting experience. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general guidelines:

- Always treat all firearms as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect the handguard for signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

When using the WOOX Bravado Handguard, observe the following precautions:

- Ensure the firearm is unloaded before installing or adjusting the handguard.
- Do not modify the handguard in any way that could compromise its structural integrity.
- Avoid exposing the handguard to extreme temperatures or harsh chemicals that may damage the materials.
- Be mindful of the heat generated by the barrel during prolonged use; allow the handguard to cool before handling.
- Always use the handguard as intended, following the manufacturer's specifications for compatible firearms.

Instructions for Installation and Usage

Follow these steps to properly install and use the WOOX Bravado Handguard:

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a torque wrench and appropriate screws, if required.

2. Installation

- Remove the existing handguard from the firearm according to the manufacturer's instructions.
- Align the WOOX Bravado Handguard with the barrel nut and ensure it fits securely.
- Fasten the handguard using the provided screws, ensuring they are tightened to the manufacturer's recommended torque specifications.
- Check for stability by gently pulling and twisting the handguard to ensure it is securely attached.

3. Usage

- When using the firearm, maintain a firm grip on the handguard.

- Utilize the integrated MLOK slots to attach accessories as needed, ensuring they do not interfere with the operation of the firearm.
- Regularly check the tightness of the handguard and any attached accessories during use.

Disposal Instructions

When it is time to dispose of the WOOX Bravado Handguard, follow these guidelines:

- Do not dispose of the handguard in regular household waste.
- Check local regulations for proper disposal methods of firearms accessories.
- If the handguard is damaged or no longer usable, consider recycling the materials where possible.
